MANY ATTEND FORMAL OPENING OF SUSSEX FAIR TUESDAY EVENING

Addresses Are Delivered by Premier Hazen and Others - Fair is Highly Spoken of by Visitors - Satisfactory Progress Being Made in Judging.

SUSSEX, Sept. 22 -The exhibition of | He urged a community of interest to the Sussex and Studholm Agricultural make the Sussex exhibition the best Association was formally opened to- in the Maritime Provinces. Fred Sproul, M.P.P., followed Mr assist the secretary in taking the names. There was a steady rush of names, There was a steady rush of secretary in taking took place and showed that all had where it should be taught and when ance was large. The opening took place and showed that the instruction is should be taught and the main that the instruction is should be taught and the main taking the should be taught and the main taking the should be taught and the main taking took place. The pidging of Jersey,

> Col. Montgomery Campbell made a few introductory remarks congratulating the prize winners and introducing

to the audience the provincial premier,

Hon. J. D. Hagen. Expresses Appreciation

the honor conferred upon him by the outside points is expected. Sussex and Studholm Agricultural Association. He congratulated the directors of the exhibition on the success which had attended their efforts. The healthy rivalry. It was to be expected that the pork and dairies exhibits of Sussex exhibition would be of the best, as Sussex is the centre of the dairying industry of New Brunswick. He had been informed that at the St. John exhibition Sussex stock exhibitors had not only held their own but had carried off the lion's share of prizes. (Applause). It was also to be expected that the magnificent display of agricultural and horticultural products would be seen. The Maritime Provinces could produce roots and cereals equal to those of any part of the world. Speaking of the stock exhibit Premier Hazen said he could not see why stock to improve provincial herds should be imported when the private stock breeders of New Brunswick could raise such fine catttle.

CREDIT TO PROMOTERS.

than at any time since the trouble 'n in which it was held, and the province could be ac-New Brunswick. That counted for by their ancestry. De-scendants of the old pioneers would al-ways go into strange lands in an ef-fort to improve their condition. Per-sonally he did not believe that the west was superior to New Brunswick. The farmer who attended to the farm and left a side issue such as lumbering

alone, always succeeded. Mr. Hazen dwelt briefly on the agricultural commission and hoped when it sat in Kings the people, irrespective of political leaning, would attend the ses-, sions. He thought the government should do everything in reason to aid the farmers. Good education and improvement of dairy schools were all

James Murray, M. P. P., was then called up by President Campbell. He said he felt pride in the exhibition and ogether with other citizens of Sussex felt that it merited the praise given it. Kings was essentially an agricultural country. The term farmer was once a term of reproach. That time was past. Agriculture had been elevated. premier had said Sussex was a dairy centre of New Brunswick. Not only was that the case, but Kings county produced half the dairy products of the and 37 will be welcome to join the the Archbold-Foraker correspondence Maritime Provinces. He regretted that not co-operate to make fair a success.

row is Avranire day. The farmers of Kings county devote much attention to raising Ayrshire cattle. At both St. John and Halifax exhibitions Kings county took the majority of prizes in this class. All exhibits shown at those places are here, together with additienal exhibits. The keepest competition is expected. The judging of other stock at each meal. Yet the service was at and practically all other things will all times careful and varied and ex-

take place today Some great horse racing is expected here this afternoon. There is a great field in the free-for-all, and some dandy men who had charge donated their time contests are looked for. The track is in excellent shape and fast time should Mr. Hazen expressed appreciation of be made. A large attendance from

A serious fire took place on the Golden Grove road yesterday afternoon about three o'clock, when a barn and shed owned by Timothy O'Leary, was

totally destroyed by fire. At the time of the conflagration there were only the children at home, as the heads of the family were away. The fire first started in the barn, which was filled with hay and farming implements. The children gave the alarm and when help arrived the barn was a mass of flames and was practically a

total loss. From the bain the flames found their way to the shed and in a few minutes lates the heart's action, makes the it was, like the barn, a pile of smouldering debris. It was one of those quick farm fires that rapidly gained headway, and by the time that neigh-The Sussex exhibition he thought a bors arrived there was only one thing credit to the promoters, to the locality to do, and that was to save the dwelling. With the aid of the wind, which blew in a direction away from the

> Fortunately the stock were not in the barn at the time of the conflagration, and the loss is confined to building grain and some implements. It is said that the barn, shed and contents of each were insured in the Ontario company for \$300, but the loss will greatly exceed the amount of in-

> burange. There was about \$700 insurance on the dwelling, but it was in no man-ner damaged. Mr. O'Leary was in the city at the time of the fire and he we greatly shocked on learning of the conflagration.

TURRET GUN EXPLODES ON CRUISER KILLING THIRTEEN

Men Engaged in Drill When Without Warning the Whole Turret Seemed to Blow Out-Dismembered Bodies Thrown in All Directions.

TOULON, Sept. 22.—During gunnery Dismembered bodies were thrown in drill roday one of the big turret guns all directions and several of them were on the French armored cruiser La-huried into the sea through the great touche Treville, exploded with terrino turret and killing outright the entire

The accident was similar to that board the gurnery school ship Cournne, off Les Salins d'Hyeres, Aug. 12 last, when by the bursting of the breech of one of the gune, six men-were killed and eighteen injured. The drill oday had been proceeding for a conderable time when without warning,

pectacle was horrible, the dead and wounded, together with shattered arms and legs, littering the decks. A call to as possible the wounded were cared for. The gun that exploded was ? inches bore, of which the cruiser had two. Happening so soon after the ac cident on the Courcage, the explosion most rigid investigation
