ful, the Forest is the best Medical School!

That prolific cause, which exposes the human frame to the inroads and attendant train of diseases, proceeds directly or indirectly from a disordered state of the Stomach, pointed by Impure Blood, Bilious and Morbid condition of the Stomach and Bowels.

DR. HALSEY'S
GUM-COATED
FOREST PILLS,
(A vegetable preparation of unparalleled efficacy)

These Pills are prepared from the best Extract we combined with other Vegetable prop rties of the highest Medicinal virtue. They are warranted not to contain any mineral, or deleterious substance whatever, but are purely vegetable. They act upon the Stomach, Liver, Kidneys, &c., and all the functions of animal life, and are free from acrid or irritating qualities. They clear the blood from impurities, and the patient is better able to attend to business while under their influence than before taking them. They are mild in operation, yet powerful in restoring health.

The great amount of good these Pills have done for the sick and afflicted have induced thousands to commend them to their friends and the public generally as worthy of notice and trial, in almost every part of the country have testified to the world in favor of their great efficacy in curing disease.

Testimonial after testimonial showing their great powers of curing in all and every class of disease have been tendered to us by individuals of undoubted character and responsibility. The following testimony is from a respectable and wealthy farmer residing near Utica, New York:—

UTICA, November 8, 1848.

Dr. G. W. HALSEY,—Sir: I have for several years back, I have had much sickness in my family, of Bilious Disorders, and Ague and Fever. In the fall of 1848 two of my sons were taken at the same time with Bilious Fever. In former seasons, when sickness occurred in my family, I had always employed a Physician. But as I had seen your Gum-coated boxes of your Forest Pills in the house, I concluded to try them. I gave to each of them six Pills, and four hours after, I gave them three Pills more. They soon operated, bringing away much black and green matter. On the following day the fever had left them, and they recovered without any other medicine. Since this time I have always kept your Pills at hand, and in all cases of sickness where I used them with the most happy results.

(Signed) ISAAC S. GOODHUE.

NOTICE TO THE PUBLIC.

In 1840 Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar-Coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the avarice of designing persons, who counterfeited the manufacturer's name, and the style in which they were enveloped, so as to give them the outward appearance of Dr. Halsey's, in order to sell them under the guise of Dr. Halsey's Pills had gained by curing thousands of diseases.

The public are now most respectfully notified that Dr. Halsey's genuine Pills will henceforth be coated with

GUM ARABIC.

An article which in every respect supersedes Sugar, both on account of its healing virtues and its durability. The discovery of this valuable remedy is the result of a number of experiments during three years. For the invention of which Dr. Halsey has been awarded the only Patent ever granted on Pills by the Government of the United States of America.

The Gum-Coated Forest Pills present a beautiful transparent glossy appearance. The well-selected substances of which they are composed, and the manner in which they are united, renders them still better than Dr. Halsey's celebrated Sugar-Coated Pills. The Gum-Coated Pills are never liable to injury from dampness, but remain the same, retaining all their virtues to an indefinite period of time, and are perfectly free from the disagreeable and nauseous taste of Medicine. In order to avoid all imposition those in the world to obtain Dr. Halsey's true and genuine Pills see that the label of each box bears the signature of G. W. HALSEY.

Reader!!! If you wish to be sure of a medicine which does not contain that irritating poison, Calomel or Mercury, purchase *HALSEY'S GUM-COATED FOREST PILLS*, and avoid all others.

If you desire a mild and gentle purgative, which neither nauseates nor gives rise to griping, ask for HALSEY'S PILLS.

If you would have the most concentrated as well as the most compound Sarsaparilla Extract in the world for purifying the blood, obtain DR. HALSEY'S PILLS.

If you do not wish to fall a victim to dangerous illness, and be subjected to Physician's bill of 20 or 30 dollars, take a dose of Dr. HALSEY'S PILLS as soon as unfavorable symptoms are experienced.

If you would have a Medicine which does not leave the bowels costive, but which gradually unlocks and promotes, prunes HALSEY'S PILLS, and avoid Salts and Castor Oil and all common purgatives.

Parents, if you wish your families to continue in good health, keep a box of HALSEY'S PILLS in your houses.

Ladies, Dr. HALSEY'S PILLS are mild and perfectly harmless, and well adapted to the peculiar delicacy of your constitutions. Prevent them.

Travellers and Mariners, before undertaking long voyages, provide yourselves with Dr. HALSEY'S PILLS, as a competent opinion attendant.

BUHAN HAIR.—HYPERION FLUID.—This is a compound admirably adapted to the diseases of the hair, and from the particular mode of being prepared purely from vegetable ingredients, so that its application is perfectly safe. How often do we perceive young persons with beautiful heads of hair nearly grey, or with the skin of the head, caused by scrofula, violent grief, and other mental afflictions. By a few applications of HYPERION, in a short time they will have their delight, a beautiful head of hair will have taken place in the action of the skin, and a rich and luxuriant growth of hair, of its original color, and texture, will be the result. HYPERION FLUID is the most refined cosmetic ever introduced to the world, and is the only one that will restore grey hair to its original color. It is the greatest nourisher of the hair, and is the only one that will prevent it falling off. HYPERION should be one of the principal appendages to every lady's and gentleman's toilet.

PLANTAGENET WATER.

Among the discovery of scientific skill in Industrial Park, the subscribers have the pleasure to hold a conspicuous position, and its exhibition was attended, we learn, with universal admiration. The formation of the water of the Plantagenet Springs, during this heated drought, was no slight test of its value, and the unanimous and decided verdict in favor of its purity, softness, and vigour, the most severe and scientific tests, is the highest praise we can bestow upon it. Fifteen minutes is sufficient to render the hardest water soft and pleasant to the taste. Thirty drops has, in fifteen minutes, cured Dyspepsia, Thirty drops has, in fifteen minutes, cured Headache, Thirty drops has, in fifteen minutes, cured Cholera Morbus, Thirty drops has, in fifteen minutes, cured Cholera Infantum, Thirty drops has, in fifteen minutes, cured Chorea (St. Vitus' Dance), Thirty drops has, in fifteen minutes, cured Cramps, Spasms, &c., &c. Thirty drops has, in fifteen minutes, cured Tic Doloureux, Sixty drops has, in twenty minutes, stopped the pains of Neuralgia, Three drops has, in fifteen minutes, cured Wind on the Stomach, Three drops has, in fifteen minutes, cured Cholera Morbus, One application has cured the most painful Swelling, One application, in twenty-four hours, cured Carved Spine, One application, in 10 minutes, cured the Lumbago,

SOLEMN TRUTH.

KEATING'S COUGH LOZENGES.

A CERTAIN REMEDY for disorders of the Pulmonary Organs—in Diffculty of Breathing—in Recent Injury of Phlegm—in Incipient Consumption—(of which Cough is the most positive indication)—they are of unerring efficacy in the most obstinate cases, and relief is invariably found to follow their use.

Numerous testimonials have been received from all parts of the country, but the following, from a gentleman of the highest respectability, will place its efficacy above suspicion:—

Montreal, April 20, 1848.

Prince the Rev. B. Davis, D. D., Minister of the Baptist Church, Montreal.

I most willingly bear testimony to the great efficacy of KEATING'S EXTERMINATOR, I found it a most powerful vermifuge. The thousand and one attempts to allay its efforts to abate it, until this preparation was applied. One Box has sufficed to expel from the system the most inveterate cases of worms. Similar cases of worms have occurred in my neighborhood. BENJ. DAVIS.
