THE ONLY SAFE POLICY. the more it is read and studied, the crib begin to screech munity

The first provision in the amended egge order grants the concessionaires the following privileges

"The sofe right to take and divert water from the Klondike river at any point or points between its entry into the Yukon river and Flat creek for the purpose of generating power with which to pump water to work the auriferous deposits in the district (hereinafter termed, 'the district') comprising the beds, banks, valleys, slopes and hills of the Klondike river, of Bonanza, Bear and Hunker creeks and their tributaries. Immediately thereafter appears the

"Provided that if the right given by this section is not exercised within six years from the date here of it may be revoked by order of the governor general in council '

accompanying stipulation

It will thus be seen that Treadgold without turning his hand will be enabled under the terms of his or corporation from utilizing the decision. power of the Klondike, nor during six years is he under any obligation BUTLER'S CORNER NO. 2 W. C. Noble

In other words the grantees are Mr. F. S. Dunham Is Going to the given the right of permitting six years to elapse during which time if they so elect they need do absolutely nothing in the direction of developing power from the Klondike Butler. and they can prevent anyone else from so doing.

At the expiration of the six years though their privileges may be revoked or they may be extended, as power at that time.

The purpose of the order seems to besto shut out the possibility of competition against Treadgold for tinue to patronize Mr Butler at my a period of six years at the end of old stand . Yours truly, which time, it may easily be reckon ed, that there will be no one left with the money or ambition to be come a competitor.

The element of doubt and uncertainty which lurks everywhere in the provisions of the concession is sufficient in itself to warrant the universal demand for its cancellation.

ment that the concession if carried spector, who presented it to the fedout fairly and honestly would be an advantageous enterprise from the leased on bonds. community's standpoint, what guarantee is given that its provisions will be carried out in such manner ? From the language of the amended order as above quoted is it not fair to assume that there is no htention on the part of the concessionaires to avail themselves of the privileges offered in the grant.

It is a loosely drawn affair capable of innumerable interpretations as to the intent and meaning of its provisions and calculated to deave the public in the dark as to what responsibilities the concessionaires assume or the exact scope of the privileges which are granted.

Under the circumstances the general demand that the concession be annulled in toto constitutes the on-

SUIT FOR WAGES

Victor Smith Prosecutes an Action Against the Yukon Sun

Mr. Justice Craig was engaged this orning in hearing the case of Victor Smith vs The Yukon Sun, an action for breach of contract and to recover seven months wages at the rate of \$200 rer month. Smith, so it is alleged was employed on the Sun as advertising solicitor at the rate of \$225 per month. A reduction was afterward agreed, to conditioned upon the plaintiff being given permanent employment and according to his statement an agreement was entered nto to that effect. About November plaintiff was notified that his ser was summarily dismissed. The present action is the result. The case was not of long duration, only Mr. Thompson, present managing editor of the Sun, testifying for the defense and plaintiff alone giving evidence or concession to prevent any individual his behalf. His lordship reserved his
