The ladies of St. Joseph's Parish intend holding their annual sale and tea on Shrove Tuesday, February 20th. The ladies are working hard and there is every indication that this year's sale and tea will even surpass those held in former years. Don't forget the date—Shrove Tuesday, Feb. 20th.

Mrs. H. J. Simpson who returned from England last week was fortunate in getting home before the extra efforts were made by Huns to destroy shipping. She states that letters received from her son Ernest now a prisoner of war are quite hopeful and treatment received is very good. Of course he would never be allowed to write of hardships and abuse.

Veterinary Dr Arthur Gill lately of Kentville is now doing effective work in Truro. He not only has a large veterinary practice but has been appointed health officer for the town and does something more than draw his salary for that position. He examines meat markets, slaughter houses, and dealers premises frequently and gives a monthly report to the Council on same and is doing much to encourage sanitary conditions in Truro. Dr. Gill was one veterinary who came through the horse purchase investigation with credit to himself and commendation from Judge Davidson.

A McLaughlin Automobile

Must be so built that it will always, under all circumstances, give the owner the maximum use of his investment. Every McLAUGHLIN owner will receive the prompt and efficient service to which he is entitled—the kind of service that will insure him the motoring pleasure he expects.

McLAUGHLIN reputation, pre-eminently firm and fair, was not won by chance, but is due to policy established and consistently adhered to for forty years in the manufacture of high grade vehicles. With the production of the first McLAUGHLIN motor vehicle the same policy was conscientiously followed, that of giving the owner the maximum of service for the minimum of cost.

No matter what its price, a McLAUGHLIN Car must, and will give the maximum of that service for which it is intended, and must bear its proportion of the responsibility of maintaining that high prestige which has established the McLAUGHLIN as

Canada's Standard Car
