PUGSLEY LAY DOWN

Busy Mr. Pugsley's latest "vindication" is receiving the satirical comment of the press. Listen for example to the Hamilton Herald, an Indepenment," it says, "allowed Contractor Mayes to win his suit by default. No evidence was submitted. The governevidence was submitted. The government could better afford to pay Mayes all he claimed than to have McAvity subjected to cross-examination."

testify, a strenuous denial on the record that Mr. Mayes was entitled to a cent, all the forces of the department lined up to fight a litigious con-

into his own hands and settles it by dence was material, and which Mr. Pugsley himself had repeatedly said was not owing-he agrees to pay in

the St. John Globe,—a Liberal paper:

When E. M. Macdonald, M.P., serv ed notice on the city of Lethbridge that it would get no post office until it voted Liberal, he was simply following constituencies by promising unnecessary public works if they vote Liberal and threatening to withhold needed public works if they vote Conserof campaign which the Liberals ran in Halifax against Mr. R. L. Borden and his colleague Mr. Crosby: Promise of bringing the Grand

Trunk terminal to Halifax. Promise that the Canadian Pacific would come to Halifax.

A union depot.

A steamboat pier at Dartmouth. The Halifax and Musquodobolt

In addition it was urged that the Government had incurred an expenditure of \$5,000,000 on the port; that it land. With joy in their hearts and a was too shrewd to commit himself had built a \$250,000 Customs House; that it had spent \$200,000 in improving the Post Office had spent \$100,-000 on the coast of Halifax County; return. If you vote for the Blue can agement to the builders of a wall of that it had re-opened the dockyard; that it had manned the forts with Canadian troops.

tive the Liberal newspapers served notice that the Nova Scotia constituenvative must expect punishment. The Halifax Chronicle said on the day the most important public interests that Liberals in Halifax have been struggling for, and that Tories have pretended to desire, were hanging within our reach. The Government

when these things were within our commanders of that." There have grasp, our own people, misled by a been a lot of these latter. treacherous Tory newspaper, and by what is worrying Sir Wilfrid Laurier in 1910 is, therefore, just what his in a very short time. It votes thrown our great opportunity to friends, on the press and on the the winds." And later on: "If the stump, in 1896 made use of to worry Government takes the people of Hall- his Conservative opponents, and made fax at their word, who will have cause use of with effect. There is no occato complain?" And again: "They have sion for extending to the members of declared by their votes that they do not want these things, and if the Gov- because of the course the Nationalernment is disposed to take them at ists are now pursuing.
