CHRISTENING

Quite an interesting event took place at the residence of Mr. and Mrs. Thos. McIntyre, Salkirk street, last evening, when their infant daughter was christened. Letts Eloise. Rev. A. H. MacGillivray, pastor of the First Presbyterian church, officiated, and a number of the friends and relatives of the proud parents were present.

An unique feature of the christening was the fact that the robe worn by the little one was the same as that which was worn by her father and grandmother on similar occasions.

ALD AUSTIN MAY RUN

Another Probable Candidate In The Mayoralty Field

Is it too Early For Him to Give out Definite Information

The chances are that the mayoralty campaign for 1908 will be one of the most keenly contested in years, and there appears to be all kinds of good material willing to come out. The candidature of Ald. Potter and ex-Ald. Scullard, as announced in last evening's issue of The Planet, is now looked upon as a certainty. These two gentlemen with the field to themselves should put up an interesting contest. But it is understood that should Mayor Stone drop out, as he has once or twice hinted at, Aldermen Hensen and Austin will be seen in the running.

A Planet reporter met Ald. Austin in City Treasurer Fleming's office in Harrison Hall this morning, and asked him what truth there was in the rumor that he would be a candidate.

"It is too early for me to say anything with regard to this matter yet," replied the Civic Finance Minister. "The fact is that I have not yet even given it a thought, though I must admit that a number of friends have approached me with regard to it. At present I am too busy at my store to divide my attention with anything else."

Ald. Austin hinted that a little later on there might be something definite to give out with regard to the mayoralty campaign.

A COUNTY PIONEER

Death Claims Mr. Samuel Fleming, One of The County's Most Esteemed Farmers

After an illness extending over a period of seven months, Mr. Samuel Fleming, one of Kent's most highly respected farmers, passed away yesterday at his home on Park avenue. Deceased was 73 years, 7 months and 13 days old, and had lived in this County for the most of his life. The immediate cause of death was heart failure.

The late Mr. Fleming was born in Moss Township, in the County of Middlesex, and came to this County when he was a young man 25 years of age. At that time he settled down on a farm on lot 19 of the 2nd concession, Chatham Township, and there he worked for the greater part of his life. Four years ago he retired to enjoy the fruits of his labors, and he purchased a home on Park avenue. He enjoyed fairly good health until he was taken ill about seven months ago. Since that time he has been quite poorly, and he gradually got weaker until his illness resulted in death.

Besides his widow, who herself is not at present in the best of health, three children survive. They are Mrs. Wellman of Racine, Wisconsin, Miss Alice at home, and Wilfrid M. Fleming of the Sutherland-Innes Company, this city. He is also survived by one brother, J. B. Fleming, of London, and one sister, Mrs. John Pearce, of this city.

The funeral will be conducted by Rev. Dr. Daniel, pastor of the Park street Methodist church, of which church deceased was a staunch member. Interment will be made in the Maple Leaf cemetery. The service will be conducted privately for the immediate friends and relatives at the late home of the deceased gentleman on Saturday afternoon at three o'clock.

PRIEST'S SOLEMN ADMONITION.

Diphtheria Epidemic in Quebec Village Caused by Negligence.

Ottawa, Sept. 25.—An epidemic of diphtheria is raging at Quebec, Quebec, near here. There have been two deaths there in a week. Three families are now down with the disease, the schools and churches are closed. The provincial health officer was asked to go there, and the village may possibly have to be quarantined.

At the Kennedy Hotel, the whole family of 13 had it.

Miss Nellie Casey, a relative who was there on a visit, contracted the disease. She came down to the Water street Hospital, but it was stated at the institution that she was immediately sent to the Isolation Hospital, where she died.

There appears to have been gross negligence somewhere, and it is alleged, Rev. Father Kiernan, Sunday, said that whoever was responsible for handling death to his neighbor was equal to a murderer.

The disease has been in the village for five or six weeks.

Life may be short, but there is always time enough for courtesy.

IT SHOULD BE STOPPED

Petty Thieving Said to be Prevalent on Residential Street

Immigrant Children Are Blamed—Source of Nuisance

Thieving is daily going on on one of our residential streets. Several houses, it is claimed, have been entered, and a great deal of outside property has been lifted.

The disappearance of many articles is attributed to the work of a number of young children, the oldest not more than twelve years, who are daily seen carrying things that it is claimed do not belong to them, to their home. It is claimed they belong to an English family who came out lately through the immigration agencies. They may see no harm or crime in lifting other people's property, but surely their parents do. The parents in allowing the children to carry stolen articles, home are, in accepting them, committing a greater crime than the youngsters are in taking them.

A certain lady on the street who is away from home on holidays is one to whose property the youngsters are said to have made themselves known. They have it is claimed, carried away all the wood they could find, and it is estimated that there was a couple of cords. A neighbor told some children he saw in the yard to stop taking the wood, but his remark was unheeded. The lady next door has an apple tree, heavy laden with fruit, and the fruit has disappeared in the same manner.

Another resident who had a fine garden of tomatoes is lamenting over the loss of his fruit. Several neighbors are greatly in sympathy with the youngsters, as it is claimed they are really in need of the things they have taken, while others state that if such work has commenced this early in the fall, what will be the result when the cold weather comes on.

SHOOTING IS GOOD

Indications Point to a Most Successful Duck Season—Birds are Plentiful

The present indications go to prove that the duck shooting this fall will be exceptionally good. Wild duck are more plentiful this year than they were last year, which is due to the abundant amount of feed which is to be seen this year in the marsh and low lands. Wild rice and wild celery is to be seen in large quantities, and this is the main food of the wild duck. The carp season has been very late this year, the spawning season not beginning until along in the summer, on account of the late spring. As a result, the carp, which usually rooted out and destroyed the rice and celery, when in their infantile stage, were not large enough to do so this year before the herbs got a good start. The northern ducks are coming in fast, thus indicating an early fall. The breeding season has been very good on account of the fine weather. The grays, blacks and teal, which breed in the marshes here are very numerous this year. The duck season opened on September 1st, but as yet little has been done in the shooting line. The season will undoubtedly be a good one.

PARK—CARRY

A very pretty event was solemnized yesterday afternoon at the residence of Mr. and Mrs. Carry, concession 2, Harwich township, when their youngest daughter, Miss Grace, was united in marriage to Mr. William E. Park, city editor of the News.

At six o'clock the bride entered the drawing room, leaning on the arm of her father, by whom she was given away. The ceremony was performed by Rev. Robert McCosh, rector of Christ Church. Miss Fanny Carry, sister of the bride, was bridesmaid, and Mr. S. F. Park, brother of the groom, was best man. The bride was becomingly attired in cream silk and carried white roses, and the bridesmaid looked charming in white silk organdie, and carried a bouquet of pink roses. The presents were numerous and costly, showing the high esteem in which the young couple are held.

After the marriage ceremony was completed, all sat down to a sumptuous wedding dinner. The immediate relatives of the contracting parties were all that were present. A most enjoyable time was spent during the evening and the happy couple received many good wishes and congratulations.

They will take up their residence on McKeough avenue and will be at home to their friends after November 5th.
