Some years ago one of Mr. _MLAND's farm laborers bruised his leg. Owing to the bad state of his blood, an ugly scrofulous swelling or lump appeared on the injured limb. Horrible itching of the skin, with burning and darting pains through the lump, made life almost intolerable. The leg became enormously enlarged, and running ulcers formed, discharging great quantities of extremely offensive matter. No treatment was of any avail until the man, by Mr. Leland's direction, was supplied with Aver's Sarbarabilla, which allayed the pain and irritation, healed the sores, removed the swelling, and completely restored the limb to use.

Mr. Leland has personally used are to effect a radical cure.
