TESTIMONY from Maine.

CAPT. DANIEL ABBOTT, Brooklyn, Maine, July 16, 1845, says: "I was taken sick one year ago, with jaundice, dyspepsia, &c., &c., and after several months' treatment by a regular physician, but for ten days could obtain no relief, no sleep or appetite. At last taking up a newspaper having your advertisement of 'Hootslan's German Bitters' in it, I sent for some immediately, and took about 10 o'clock, at 11 o'clock I took the first dose, and another at 6 o'clock. The effect was so rapid, that I had a good appetite for supper, and rested well that night, and the next day found me well again. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands ever since. I have now given up going to sea, and reside in this place, where you should have an agency, as you could sell large quantities of it."
