STAR BRIEFS.

Ladies! stow away your poke-bonnets. Cold days and colder nights are now in order. Merchants plant your advertisements in the Star for the coming fall trade. Pietou shipped 3,966 tons of coal last week.

In the Spanish Cortes Monday last the Minister of Finance proposed a gradual reduction in the Customs tariff. He said Spain would renounce all existing commercial treaties on the promulgation of the new tariff, and conclude fresh conventions on the basis of the proposed reduction.

In the possession of a member of the Berkeley family, of England, is a ring composed of a large emerald surrounded by diamonds. This once belonged to the famous Admiral Sir Cloudesly Shovel, & owned of the S-illy Islands in his war-chips in 1707.

All Mr. Blake's arguments against the adoption of the protective policy have been used for a long time by a very much able man—Hon. D. A. Wells, in the neighbouring community of the United States, and yet the farmers of that country, who could compel a change to a free-trade policy in any Congressional election, have steadily refused to listen to the voice of the charmer. Why?

Providence, that is, Providence, R. I., is furnishing its full quota of "respectable" rascals. The reverend book thief of a few days ago now gives place to a merchant jeweller, who stands accused of the larceny of valuable paintings from the Providence Athenaeum.

A writer in the Pall Mall Gazette asserts that, although money enough was contributed for the relief of the sufferers by earthquake in India to have rebuilt all the houses destroyed and to have reinstated every sufferer in his former circumstances, the money has been misapplied to a great extent and not one-tenth of the houses of the poor have been rebuilt.

The latest invention reported by a Japanese journal is that of Otoku Minachi, who, after extensive experiments, is said to have succeeded in making rifles of silk. They are described as rigid as iron guns, while they are easy of carriage and have a very long range.

A review of the building operations of Chicago, for 1881, shows an expenditure of \$10,475,000. One of the marked structures now in course of erection is the glucose factory on West Taylor Street, which will be 100 feet square, and eleven stories in height.

A despatch from Wellington, New Zealand, says that the Maoris have assumed an aggressive attitude towards the British, and that the position of the settlers is becoming serious.

Snow, ice, and a thermometer registering in some places 10° below the freezing point, have been the very unusual features of October weather on the Pacific coast. In Washington Territory fruit has frozen on the trees.

The cravents in the Ohio Penitentiary have sent \$100 to the Michigan sufferers. They raised this money by denying them the luxury of tobacco and by the sale of trinkets which they had made.

A Calcutta despatch reports that the Ameer of Afghanistan won a decisive battle on the 3d inst., and afterwards occupied Herat.

The New Zealand Government has accepted the services of three hundred volunteers in view of the threatened troubles with natives.

The latest despatches from Tunis report that thirty thousand French troops are advancing on Kairouan, and that the occupation of that place will be followed by more extended operations.
