Recommends Lydia E. Pinkham's Vegetable Compound to Other Mothers

Hemford, N. S.—"I am the mother of four children and I was so weak after my last baby came that I could not do my work and suffered for months until a friend induced me to try Lydia E. Pinkham's Vegetable Compound. Since taking the Vegetable Compound my weakness has left me and the pain in my back has gone. I tell all my friends who are troubled with female weakness to take Lydia E. Pinkham's Vegetable Compound, for I think it is the best medicine ever sold. You may advertise my letter."—Mrs. GEORGE L. CROUSE, Hemford, N. S.

My First Child Glen Allen, Alabama.—"I have been greatly benefited by taking Lydia E. Pinkham's Vegetable Compound for bearing-down feelings and pains. I was troubled in this way for nearly four years following the birth of my first child, and at times could hardly stand on my feet. A neighbor recommended the Vegetable Compound to me after I had taken doctor's medicines without much benefit. It has relieved my pains and gives me strength. I recommend it and give you permission to use my testimonial letter."—Mrs. IDA RYE, Glen Allen, Alabama.

Delayed Examination Cost Family \$20,000

The Hartford Courant prints a story of the death of Edsie Fieldman, of Winstead, Conn. Mr. Fieldman was injured in a crossing accident, dying in a few hours afterwards.

This one out of the thousands of crossing accidents that are taking place every week, stands out

on account of the fact that Mr. Fieldman had signed an application for a \$20,000 policy and had given the agent his cheque for the first premium, but had deferred going to the doctor for the medical examination.

Agent tried to get action On the morning of the accident the agent had gone to Mr. Fieldman's home to try to induce him to be examined during the day.

On the morning of the accident the agent had gone to Mr. Fieldman's home to try to induce him to be examined during the day.

If Mr. Fieldman had been examined on the day the application was signed, the policy would have been in effect at the time of his death and the estate would by this time have received a check for \$20,000, the amount he was in position to carry and which he had paid for with the understanding that the policy and all its benefits would become effective just as soon as the medical examination was O. K'd at the home office.

Doubtless all of Mr. Fieldman's neighbors are struck dumb by the incident, by the realization that a man can deprive his loved ones of so much money by a few hours or a few days delay.

Is it not possible to take Mr. Fieldman's story into the home of every prospect and to use it to save others from making the same fateful mistake?

Children Cry for Fletcher's

Fletcher's Castoria is strictly a remedy for Infants and Children. Food are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep.
