Friday night's concert is the beginning of He will also be entitled to his usual reregular series of entertainments: the mission of two months per year for good others to be given in the old kirk. Professors Hyde and Duff will lecture during the conduct.

gerous for fast trains.

Exhibition Topics.

Now that extensive grounds for exhibition purposes have been provided in this city ught that the claims of Fredericto as a suitable site for the next provinci exhibition should not be ignored. The recent meeting of the exhibition people at St. John has given a fresh impulse to the matter, and many of our prominent tradespeople think that Fredericton would be a most suitable centre for an exhibition on a large scale this year. The following resolution proposed at

meeting of the York county agricultural society says : Whereas, It was decided at the last an

ual meeting to wind up the business of this society with a view of affording all the undivided help that this society would give to the new incorporated company for holding exhibitions in this city and county, and, of the above it is officially stated that whereas, there is still unfinished business to Therefore resolved. CANADIAN PICTURES.

The Illustrated News publishes a picture of Christmas in Australia and Canada. The southern Christmas is represented by a man sitting on a log in the woods watching a fire; the Canadian Christmas by a man in a flannel coat, trousers of deerskin, fringed a la cowboy, with a pair of snow-shoes on his feet, having a bar up the centre and another across, on the intersection of which he stands, his whole foot resting on the snow-shoe bar. The meshes of the shoe at Woodstock, and G. A. Haggerty mechanare like those of a tennis net. The al- ical superintendent, at McAdam arrived in leged Canadian has a hunting knife by the city on Thursday. his side and a rifle under his arm. He is walking along near a gorge flanked by ning arrived in this city from London, Ont., mountains, and we are gravely told by the letterpress that this illustrates "how the Canadian settler harmlessly enduring a frost of nearly twenty degrees below H. A. Austin, New York mutual life Co. zero, glides on his snow-shoes along the St. John; E. A. Abbott of the C. P. R. St. seen there, on his way to share the T. Smith, Monfreal. Christmas dinner of his neighbor." Great Cæsar, this is dreadful. If we know as little about other people as they seem to know about us, how profound Inch of St. Marys had a lively dispute on must be our ignorance. Fancy, gliding Phœnix square Friday, over a cattle deal. on snow-shoes with cross bars on them along a path with a rifle ready to shoot unfair dealing alleging that Inch had game on your way to a Christmas dinner.
