Good Horses.—Mr. Robt. Coultis, who is well known in this vicinity as a thorough, practical agriculturist, and who has always manifested considerable pride in the rearing of good stock, sold a very handsome pair of matched horses to Edward Lee of Chatham, for the neat little sum of \$200. It is becoming a well established fact among our farmers that there is nothing that pays so well on a farm as first class stock, and I am pleased to note that it is becoming a pleased to note that it is becoming a neticeable fact that it is an exception rather than the rule to see a miserable rack of bonesstanding ina farmer's stable

Coal has been found some distance east of Dominion City, N. W. T. Samples thereof have been forwarded to Chicago and are pronounced of excellent quality. A company is talking of developing this new mineral discovery.

On Saturday morning, on his arrival from Ottawa, Mr. D. D. Calvin, M. P. P., hired a cab to bring him from the Kingston depot to Garden Island. When about fourth of the way across the river both horses fell into a crack in the ice and were drowned. Mr. Calvin very generously presented the calman with another span of horses.

another span of horses.

The number of fish in the harbor at St. John, N. B., was so great on Friday last that James Magee's nets were sunk with the immense weight in them. He grappled for them for two days, but no trace could be found. Magee says that one fisherman near him caught 8,000 fish in ten minutes on Friday last.
