### TO SUBSCRIBERS.

How to Order a Change of Address.

possible. Due observance of these suggestions will save us much trouble and expense, and insure prompt compliance with the request to make the change.

### BLAKE AT THE COAL MINES.

dare not hold a meeting in the coal min. ing district of the Maritime Provinces during the present tour. He had been asked to do so, but the pressing demands upon his time were such that he was unable to present himself at the time asked for. The consequence was a loud huzza from the Ministerial papers, and they proceeded to score one against the Liberal leader. But as has happened before, and will, we opine, occur again, they reckoned without their host. On Monday Mr. Blake, accompanied by Hon. Messrs. Huntington and Laurier, held a meeting near New Glasgow, Pictou County, New Brunswick, which was attended by from 4,000 to 5,000 persons. Mr. Blake especially addressed himself Mr. Blake especially addressed that the only among other things stated that the only as follows:— "Patience and gravity of the coal tax, and among other things stated that the only as follows:— "Patience and gravity of the Duke of Argyle's way to the Duke of Argyle's the coal region were the palatial resithe coal region were the palatial residences of the owners of the mines—the condition of the working man was not materially improved by the imposition of the duty. The leader of the Opposition also contended that even if the owners and miners were proportionately tion by questions thereof the opposition also contended that even if the owners and miners were proportionately tion by questions thereof the oppositions are considered in quentum definition and time from the bar, or to show quickness of the amendment to omit that part of clause 22 which defines "three-fourths" as a competent number of tenants for purchase of estate, the Government will be unuseless which defines the content of the cont owners and miners were proportionately tion by questions, though pertinent. benefitted by the coal tariff, it did not follow that it was just, for the great majority of the people of Canada had to hear the burden of the taxation, that the comparatively few engaged in mining partner of the duty was a late the material points of that which hath been said; and to give the rule or hath been said; and to gi ation, and as such he would feel impelled to oppose it as it at present existed. Mr. Blake's speech throughout gave no uncertain sound; he did not enunciate a mory, or of want of a stayed and equal principle in New Brunswick at variance attention." with his utterances in Ontario. He spoke as an honest man to honest men, and although it might be that there were some amongst his audience to that the amount of one and two-dollar were some amongst his audience to whom the wholesome truths he uttered were unpalatable, yet he received from one and all of his hearers that hearty appoint one and all of his hearers that hearty appoint one and all of his hearers that hearty appoint one and all of his hearers that hearty appoint one and all of his hearers that hearty appoint one and all of his hearers that hearty appoint one and all of his hearers that hearty appoint one and two-dollar motes in circulation is \$4,234,973.25, and the amount of \$5, \$10 and \$20 notes in circulation foot up \$78,180.45. The landlords, but it is conceded even from any endeavor to find the ball from being carried too far. It is desired to make the best possible bargain for the landlords, but it is conceded even from odd cents may be quoted as a gratifying the president's ultimate recovery. were unpalatable, yet he received from circulation toot up \$78,180.45. The one and all of his hearers that hearty approof of the effects of the National proval which should be the portion at proof of the effects of the all times of an honest unright conscient. We certainly never the proof of the effects of the Policy. all times of an honest, upright, conscienti-ous speaker, whose sense of duty impels him to utter the truth at all times culating in the shape of a five, twenty-dollar note.—[Advertiser. and under all circumstances.

### GARFIELD'S CONDITION.

had gone on so far as to partially close the orifice, and the ribs prevented the pushing aside of the flesh bealing between them enough so that the tube could be introduced. The result of this as to render filling up unlikely, while at the same time it affords good anchor.

The process of the process of the process of the prevented the found in most places to be sufficiently from the Solicitors.

Dated a G. 1798-1800 faster than it could escape through the half-obstructed opening between the ribs, and its gradual accumulation began to cause a disturbance. It was therefore decided to make a new opening in-to the track of the last rib, so that the ribs should no longer prevent the keep-ing open of the wound by the solid bank-ing which they afford to the granulating flesh between them. The operation was performed at the request of the other surgeons by Dr. Agnew. As soon as the patient had been put under the influence of ether, a long, slightly curved instrument was introduced into the wound and passed between the ribs, and carried downward along the track of the bullet until its end could be felt below the last rib from the outside. Holding this instrument in the wound as a guide, Dr. Agnew made a counterincision below the twelfth rib, cutting directly through the integument until the knife met the end

Fictor as at moderate the first mentioned instruments at the series of the first-mentioned instruments at the series of t their point of view that nothing could be doubt of the President's ultimate recovery, Dr. Agnew is dissatisfied with his appearance, and his weak digestive powers cause fear that convalescence will be THE WESTMINSTER REVIEW- Republished by the Leonard Scott Publishing Co., 41 Harclay street, New York.
