We are informed that over \$75 were  
netted at the strawberry festival on the  
grounds of H. Johnston, Esq., on Tues-  
day last, in aid of the building fund of  
St. George's church Sunday School.

Mr. James McFarlane, gardener to  
Mr. James Garrow, has sent us a speci-  
men of barley grown on the grounds of  
the latter. The stalks are considerably  
over four feet in length, and gave prom-  
ise of a much longer growth.

Miss K. McIntosh, of North Street,  
on Wednesday sent us in some speci-  
mens of strawberries, the largest of the  
"Wilson" variety we have seen this  
season. They were grown on the farm  
of Mr. C. McGregor, and were as luscious  
as large.

Excursion.—Arrangements have  
been made by the Directors of the Me-  
chanics' Institute for an excursion from  
Gode-rich to Toronto and return on Mon-  
day next 11th inst., good for three days,  
fare \$2.25. The train will leave Gode-  
rich at 7.30 a. m.

In the list of graduates in the class  
of '82 at the commencement exercises of  
the Michigan University at Ann Arbor,  
this week, we notice that Mr. R. A.  
Packwood has obtained his M. D. de-  
gree. He is a brother of Mrs. Chas. Le-  
Touzé, of Colborne.

Mr. W. A. Hossie, of the Bank of  
Commerce, has been removed to Sarnia,  
and has been succeeded by Mr. A. E.  
Grassett, of Ottawa. Mr. Hossie, dur-  
ing the short time he was in Gode-rich,  
made a host of friends, and was quite a  
favorite in many circles.

Rev. J. W. Sutton, of the M. E. C.  
Church, preached a special sermon to  
Orangean on Sunday morning, taking  
for his text: Romans 1: 16. The dis-  
course is spoken of as an appropriate  
one, and was much appreciated by the  
members of the order present.

The "Maple Leaf" cricket club, of  
Gode-rich, Capt. Percy Malcomson, and  
the "Stars" of Clinton, Capt. H. Stan-  
bury, juvenile clubs, played a match  
game in Gode-rich on Dominion Day.  
Two innings were contested, the Clin-  
ton boys proving victors by a score of 90  
to 65.

Rev. R. Hicks wishes in behalf of the  
congregation of St. George's church to  
acknowledge with very many thanks the  
handsome donation of \$23.25 from Mrs.  
Fletcher's school, the proceeds of their  
closing entertainment, a very substan-  
tial addition to the building fund of St.  
George's Sunday School.

A strawberry festival will be held in  
the school room of Knox Church on  
Monday evening next, the proceeds of  
which will be for the benefit of the choir.  
Doors open at 7.30. Refreshments  
served at 8. Admission 20c. A pro-  
gramme consisting of music, readings,  
etc., will also be presented.

ACCIDENT.—A lad named Chas. Sim-  
mons, aged about 13 years, met with an  
accident on Saturday evening, whilst at-  
tending the fireworks. A lad pulled a  
"mine" off the stand too soon, and it  
exploded in the midst of a group, strik-  
ing Simmons on the thigh, and causing a  
painful although not dangerous wound.

OFF THE TRACK.—The train for  
Toronto on which the Gode-rich High  
School contingent for matriculation at  
the University was on board, last week  
ran off the track near Acton. No dam-  
age to life or limb was sustained,  
much to the relief of friends of Messrs  
E. Duncan, W. H. Clutton, E. Macdon-  
ald and others.

The intermediate examination of pu-  
pils, which has been in progress in the  
Court room during the week, under the  
supervision of Inspector Miller, will  
likely close on Saturday. 54 pupils are  
writing from Gode-rich High School and  
15 from the outside points. A num-  
ber of the latter have, however, been  
Gode-rich High School pupils in past  
sessions.

A LADY DRILL INSTRUCTOR.—At the  
Toronto school drill and calisthenic  
competition held in the Queen's Park on  
the 30th ult., the 2nd and 3rd prizes  
were taken by the 4th and 9th divisions  
of Phoebe st. school. These divisions  
were instructed in the drill and calis-  
thenic exercises by Miss L. Straub,  
daughter of our townsman Mr. C. F.  
Straub.

MYHENEAL.—Mr. Wm. Kerr, formerly  
a merchant in Gode-rich, has, after a few  
years' residence in Tennessee, annexed  
one of the daughters of that State, and  
persuaded her to change her name. We  
understand that Mr. Kerr is well pleas-  
ed with the climate and people of that  
portion of the South. Some of his old  
friends would like to see him come up on  
his wedding trip.

Rev. Mr. Wakefield, the new pastor  
of North street Methodist church, ar-  
rived last week, and preached on Sunday.  
Yesterday (Thursday) evening he was  
conferred a reception by the ladies of the  
congregation and others on the spacious  
and handsome grounds of Wm. McLean,  
Esq. Strawberries and cream, etc., abun-  
dantly, and doubtless by this time the  
new pastor feels perfectly at home.

PHAEONS FOR MANITOBA.—On Tues-  
day Messrs. Morton & Cressman, the well-  
known carriage makers of this place  
shipped two handsome canopy top pha-  
eons to Winnipeg. Both vehicles were  
splendidly built, symmetrical and well-  
finished and are a credit to the establish-  
ment that turned them out. We trust  
that this consignment is but the prelude  
to a large and steady shipment of car-  
riages, etc., to the Prairie Province, by  
Messrs. Morton & Cressman. The pha-  
eons were for Messrs. Washbrook &  
Fairchild, Winnipeg, who will have rigs  
they may be proud of.

## THE POINT FARM.—MINE HOST OF THE Point Farm had a busy day on the 1st, visitors from every direction pouring in.

The Clinton New Era thus refers to  
a young man known to many of our read-  
ers: On Sunday evening Rev. R. Y.  
Thompson, of the Winnipeg College,  
(formerly M. Hullett) preached in Will-  
ingham church. He is one of the most clever  
young men in the Presbyterian ministry  
and gave an exceptionally good sermon.  
He is on his way to Germany where  
he will prosecute his studies still fur-  
ther.

By publisher's notice printed else-  
where it will be seen that all back sub-  
scriptions not settled of once will be  
charged at the rate of \$2 per annum.  
Fair warning is now given, and if our  
friends who are behind want to save 50  
cents on each year's subscription, they  
will settle early. Do not wait until next  
week, or next month, but come in at  
once, or send the money in registered  
letter.

The Clinton Methodist Sunday Schoo-  
excursion on Wednesday was largely at-  
tended. The school "pic-nicked" in  
Bingham's grove, and marched to that  
place from the station with banners fly-  
ing, presenting a pleasing appearance.  
Not a little amusement was created by  
the appearance of the provision wagon,  
which was heaped with baskets, in the  
midst of which fluttered a banner bear-  
ing the words, "Precious Promises."

COLD HOLIDAYS.—The 1st and 4th of  
July, days dear to the Canadian and  
American heart, were each exceedingly  
cold this year. One of the athletes in  
the mile race on Dominion day declared  
that he "didn't sweat a drop." Yet the  
amount of ice-cream disposed of on that  
day was considerable; but there are some  
girls who would inch along for ice-cream  
on Dominion Day if the thermometer slip-  
ped and fell ever so many degrees below  
zero.

Moved by amendment by Johnston,  
seconded by Butler, that the salary of the  
Clerk and Treasurer be increased \$200,  
as an inducement for Mr. Moore to re-  
main.

Moved in amendment by Johnston,  
seconded by Butler, that Mr. Moore's  
resignation be accepted.

On division there voted on the amend-  
ment yes—Johnston, Bingham, Butler,  
Lee, Nicholson and Swanson. Nay—  
The Mayor, Campbell, Hutchison, Dan-  
cey, Jordan and Sloane. The amend-  
ment was declared lost, and the motion  
was declared lost on a similar divi-  
sion.

Moved by Johnston, seconded by But-  
ler, that Mr. Moore's resignation be ac-  
cepted.

Moved in amendment by Jordan,  
seconded by Dancy that the further  
consideration of the resignation of the  
Clerk and Treasurer be deferred to a  
meeting of the council to be called to  
meet on Friday, the 14th July next.

There voted on the amendment yes—  
The Mayor, Campbell, Dancy, Bing-  
ham, Jordan, Nicholson, Sloane and  
Swanson 8. Nay—Johnston, Hutchi-  
son, Butler and Lee 4.  
The amendment was declared car-  
ried.

Moved by Nicholson, seconded by  
Butler, that all communications refer-  
ring to the Clerkship and Treasurer-  
ship be laid over to next meeting. Carried.

A petition was presented from John  
Blake and others, asking for repairs to  
drain on South St. Referred to Public  
Works committee with power to act.

and referred to the Finance committee:  
Williams & Murray, \$193.41; Waller

## Ashfield.

ANOTHER OLD PIONEER GONE.—We  
regret to learn of the death of Mr.  
James Young, who died June 15th, at  
his residence in Ashfield, at the age of  
88 years, after a long and painful ill-  
ness. He came to Canada from Nairn,  
Scotland, with his father and rest of family  
in 1835, and settled in Colborne. In  
1841 he removed to Ashfield, and re-  
mained there till his death. He leaves  
a widow, three sons and two daughters  
to mourn his loss. He was much re-  
spected by all who knew him, and his  
remains were followed to the grave by a  
large concourse.

## Leoburn.

EUCHRE BY LOG LIGHT.—A party of  
lads playing cards by the weird light of  
a burning log heap was one of the sights  
hereabouts one night last week. The  
lads shuffled the cards until the grey  
dawn of day, in order to while away the  
tedious watch. To a passer by the scene  
was picturesque.—Com.

## HOME AGAIN.—We are pleased to see Mr. J. Strachan moving amongst us once more after a two months' visit to relatives at Sault Ste. Marie, in better health and spirits than before.

THANKS.—Our choir and others who  
went from here to Benlleur, to the  
strawberry festival given by the Sons of  
Temperance, wish to thank the Sons for  
their kind reception and the bountiful  
supply of strawberries served as a repast.

## Cricket.—Gode-rich v. Clinton.

A game at cricket was played on the  
grounds of the Gode-rich Club on Wed-  
nesday last, between the clubs of Clin-  
ton and Gode-rich. Wickets were pitch-  
ed at 11.30 a. m., Gode-rich going to the  
bat. By the annexed score it will be  
seen that the home team had the game,  
and made first innings giving them a lead of  
30 runs. On the second day Gode-rich  
made 79 runs, and on the third being called  
the visitors were found to be 35 behind  
with one wicket to go down. Under  
these circumstances the first inning de-  
cided the game:—
