PARIS, June 13.  
A communication issued to-night by the War Office, reads: On the front north of Verdun no infantry attack is reported. The Belgian communication says that artillery activity was normal.

#### BRITISH OFFICERS' CASUALTIES.

LONDON, June 13.  
The officers' casualty lists show during the month of April that the British army lost 316 officers killed, 900 wounded and 49 missing, total 1,271. Although the gross total shows an average of two wounded to one killed, the average for April is lower, viz.: Three wounded to one killed. During the month, the Indians lost 47 killed and 72 wounded; Canadians 18 killed and 96 wounded; Lancashires 20 killed, 49 wounded and 12 missing; Field Artillery, 15 killed and 43 wounded; Royal Fusiliers, 11 killed and 19 wounded; Yorkshires, 10 killed and 29 wounded; Flying Corps, 3 killed, 16 wounded and 5 missing. #### HUGHES' PLATFORM.

NEW YORK, June 13.  
Hughes, in response to questions put by newspaper men in regard to his attitude towards support offered him by German-Americans, said: "My attitude is one of undiluted Americanism and anybody that supports me is supporting an out-and-out American, and an out-and-out American policy, and nothing else." Oscar Straus, former candidate for Governor of New York, on the Progressive ticket, has sent a telegram to Hughes pledging his support.

#### WELL DONE, CANADIANS!

LONDON, To-day.  
Canadian troops, in what the British official statement describes as a gallant and successful assault, south-east of Zillebake recaptured the former British position over a front of more than 1,500 yards. Notwithstanding severe shelling the Canadians retained the ground gained which is being consolidated. The text of the statement reads: 1.30 in the morning Canadian troops made a gallant and successful assault southeast of Zillebake. Their objective was our old position in that neighbourhood, all of which was captured on the front attacked, extending from the southern portion of Sanctuary Wood to a point about 1,000 yards north of Hill 60, a total front of over 1,500 yards. In the course of the assault heavy losses were inflicted on the enemy. Three officers and 123 men were taken prisoners. Our troops were subjected to severe shelling for several hours after gaining the position but were well supported by our artillery and retained the ground gained, which is being consolidated. Heavy bombardments by the enemy continued during the day to which our artillery replied effectively. Attempts by hostile infantry to counter-attack were frustrated by our artillery fire. Last night our troops carried out successfully raids to the northeast of Ypres, south of Bois Grenier. In the latter place a party of Australian troops entered the enemy trenches, causing a known loss of twelve killed and probably others, and captured six prisoners. Two trench mortars were destroyed. The raiding party returned safely, the only casualties being one officer and man, both slightly wounded. On the remainder of the front there is nothing of importance to report. The enemy put 300 shells into Malincourt during the day. Our artillery bombarded hostile positions about LaBoiselle. There was less shelling than usual around Souchez and the Loos salient.

#### GERMANS CLAIM HAMPSHIRE TORPEDOED.

LONDON, To-day.  
German newspapers, according to Berne despatches to the Morning Post, state the British cruiser Hampshire was sunk by a German submarine. It was on the Hampshire that Kitchener and his staff were voyaging to Russia. The British Admiral Sir John Jellicoe in an official report of the sinking of the Hampshire declared she was mined.

#### THE RUSSIAN OFFENSIVE.

LONDON, To-day.  
The following pupils of the S. A. College have received diplomas for Shorthand from J. M. Sloan, Esq., Ramsgate, England:  
Speed—Miss G. Spurrell, 115 words per minute; Miss M. Miller, 110; Miss M. Goobie, 108.  
Reporting—Misses V. Luscombe, P. Bugden, M. Nicol, V. Maund, V. Clarke, M. Miller, F. Marshall.  
Learners—Misses L. Moulton, B. Ivany, J. Joyce, Master F. North.  
In Volhynia and Galicia the Russians are keeping up their strong offensive against Austro-Hungarians and Germans and on various sectors in both regions they have made fresh advances and captured additional prisoners and war stores. In Galicia the drive of the Russians has brought them across the Dniester River, where they have captured the towns of Zale Szyzky and Horodenka, whence they are pressing forward toward the Pruth River and the Bukovina frontier with Czernowitz as their objective. Numerous Austrian fortified positions in this region have fallen into the hands of the Russians. Further north violent fighting is taking place around Tarnopol, where the Austro-Hungarians, reinforced by the Germans, are holding back the attempts of the Russians to advance in the direction of Lemberg, the capital of Galicia. Northeast of Tarnopol, near Vorobicka, positions have changed hands repeatedly with heavy fighting, while east of Koziof, which lies southwest of Tarnopol, the capture of the Russians' advanced post is reported from Vienna. In Volhynia, northwest and west of Lutsk, the Russians have driven out the Austrians near Rofitche and occupied the town of Torchin, while west of Kolki, north of Lutsk, the Austrians have again repulsed the Russians who were trying to cross the Styr River, inflicting heavy losses on them. The diversion of the Germans on the northern part

of the front apparently has not yet assumed great proportions.

The latest Petrograd official communication merely reports bombardments of the Russian positions at the main points, while Berlin only records the defeat of a Russian cavalry brigade southwest of Jacobstadt, and increase in Russian artillery fire in the region of Rumanovici.

#### AT VERDUN AND TRENTINO.

LONDON, To-day.  
After driving their wedge farther into the French line northeast of Verdun on Monday the Germans on Tuesday did not follow up their advantage with infantry attacks. Only intermittent bombardments are taking place around Verdun. In the Lagarina Valley of the Austro-Italian theatre, the Italians have taken by assault strong Austrian positions, and repulsed heavy counter-attacks launched by the Austrians. On the Posina-Asio front the Austrians penetrated to Molisani, but were later driven out and in the Sugana Valley they met with repulse and considerable losses in an attempt to advance east of Marzort. Slight successes for their respective sides in Asia Minor are reported by the Russian and Turkish War Offices. No important changes in the situation in this region have occurred, however.

#### TEUTONS ON THE RUN.

PETROGRAD, To-day.  
A War Office announcement to-day says the retreat of the Austrian and German troops along the Galician and Volhynian fronts is proceeding so rapidly that only a small number of prisoners has been captured in addition to those previously reported. The total is given at about 115,700, as compared with approximately 114,700 announced yesterday. On the Caucasus front in direction of Rianbekh we approached the Turkish positions without being observed and attacked the enemy while he was resting. We captured the camp. After suffering some losses the enemy fled. An attack by the Turks in the region of Ravanbousee was repulsed.

The following pupils of the S. A. College have received diplomas for Shorthand from J. M. Sloan, Esq., Ramsgate, England:  
Speed—Miss G. Spurrell, 115 words per minute; Miss M. Miller, 110; Miss M. Goobie, 108.

Learners—Misses L. Moulton, B. Ivany, J. Joyce, Master F. North.

### Volunteers Break Leave

Some of the volunteers don't seem pleased with the earlier efforts to return to barracks, and the stricter discipline. Last night there were some defaulters and this morning a picket in charge of a Corporal visited several saloons in the West End looking up the absentees, who will be dealt with. It is said one deserter is also adrift and will get more than walking around the barrack-yard with a rifle on his shoulder.

### Train Notes.

The incoming express is due at 6.30 p.m. to-day.  
The train from Trepassay arrived at 11.30 a.m. to-day.

### Scarcity of Bait Hampers Fishery.

Following are the latest reports received by the Board of Trade:  
From A. J. Pearce (Twillingate to Trump Island).—The catch is 479 qtls. with 16 for last week. Thirty five or 40 traps are fishing, but no boats or skiffs. The trap fishing is rather poor, as part of the week the water was too rough for all to attend to them. A few in scattered places did fairly well, but the others, very poorly. The seines got nothing, owing to the heavy sea. A good sign of salmon continues, and caplin is getting plentiful. Prospects are not much improved.  
From J. White (Colinet Island to Head of Salmonier).—The traps are not out yet, but some 20 boats are fishing. The catch to date is 1,500 qtls. with 500 for last week. Prospects are fairly good and there is some herring for bait, but it is not plentiful. The fishermen from the outer grounds report cod plentiful, but bait scarce.

From R. Lawton (Southern Head of Keels to Knight's Cove Pt.).—Prospects are very poor, and there is very little fish reported on the grounds. The liners are well supplied with herring bait, but have done very little. Eleven traps and from 8 to 14 skiffs are fishing. The total catch is 260 qtls.

From R. Furneaux (Rose Blanche to Hr. Le Cou).—During the week five schrs. arrived from the Cape Breton shore, with from 40 to 70 qtls. each. The catch is 10,220 qtls. and for last week 260. Not much is doing at present, as bait is very scarce and all the shore boats are away, fishing at other parts of the coast.

The catch by districts compiled up to June 3rd, is:—  
Burin—11,960 qtls.  
Fortune Bay—14,280 qtls.  
Burgoe and LaPoile—19,548 qtls.  
Twillingate—836 qtls.  
Fogo—985 qtls.
