Junior League.

Shamrocks 002 12-4
Mt. Cashel 002 10-3

An unusually large number of fans turned out to see the morning game between the Cubs and C.E.I., although it was generally conceded that the veteran gang of Claude Hall's would carry off the honours. The C.E.I. could not find Bat's offerings at all, but in the sixth he gave Martin a walk. Alderice and Thomas were struck out, but Nick Carter got a hit, and Manning's error let Churchill on the bags and permitted the other two base-runners to score. This was the only bright gleam of hope for Harvey's aggregation, and after this they were held hitless, though Alderice did manage to score in the eighth for which Base Umpire Dave Duff is to be thanked. It appears that DeMers let Hall's fielding of Alderice's go over his head. Umpire Duff thinking the ball had gone in the grandstand ordered Jimmy to take second base. Edwards, playing for the Cubs, had, however, backed the throw.

ed off Alderice at second. A lengthy wrangle ensued in which the League of Nations was but a side-show. It ended in Alderice being allowed to retain the keystone though it beats us why—though he could not be called out after being forwarded by the umpire—he was not put back on first. In the eighth Chief Chessman pulled another when Thistle, after bunting foul his third strike, was allowed to stand up at the plate for another chance. Only 3 of the Cubs' 7 runs were earned. The others were caused through errors on the part of the C.E.I. infield though at times their support of pitcher Churchill was excellent. To Harvey Thomas must be handed the laurel wreath for he proved himself to be the veritable "Boy in the Gap." When their catcher—Drover—was obliged to retire in the fifth through injury, the great A. Harvey himself donned the mask, and did excellent work. His antics behind the plate put the Indian sign on the Cubs' batters, and although they got 2 runs in the last half of the game Harvey was not to blame. His pluck and ab-

Previous to the game, the Junior League gave its first exhibition for the season. Playing on the regulation diamond the youngsters produced a brilliant show. The game was limited to five innings, and the beginning of the last saw Mt. Cashel in the lead with a score of 4 to 3. Safe hits by E. Power and Carew in the fifth got two Shamrock men on the bags, and Daley's drive scored both. The tussle was most enjoyable and the fans want to see more of them. The opposing pitchers—Moore and McFarlane—did excellent work. The seniors would do well to keep an eye on some of the juniors as they are developing rapidly into classy material.

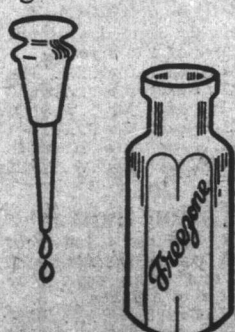

The evening duel found the champion Lions and Wanderers hard at it as in days of yore, and up to the fourth it looked anybody's game with the same score for each. Then Tim Hartnett's warriors blew up, and the maroon-and-gray babies disported themselves on the circuit to the extent of three tallies in each stanza, and wound up in the eighth with a final massacre of 5. The Wanderers used Smith in the box up to the fifth when Donnelly replaced him. The latter with a little more practice will certainly be a twirler as he is very young and has lots of juice. With the game on ice, Hiltz took Robertson out in the sixth and Walter Callahan waited through the balance of the game. He has not lost any of his cunning and is a great mainstay to the champs. Only 3 of the Lions' runs were earned—the Wanderers presented them with the other 12. Clouston, McOrmidle, Brown, Britt and Burton being charged with 2 errors each, while Dillon, Donnelly, and O'Regan had 1 a piece. Smith and Rodgers were the only ones exempt. In this respect we are surprised to find the famous new battery of the Lions—Coke Cahill and Robertson—charged with a little bunch to themselves of 5, with "Coke" in the lead by 3 to 2. What they did to the ball when they got it was a shame, and they were indeed fortunate in having for their opponents a team that fielded and threw wretchedly. Quick and Billy Callahan are down in the records for a two bagger each.

"CORNS"

Lift Right Off Without Pain

Doesn't hurt a bit! Drop a little Frezone on an aching corn, instantly that corn stops hurting, then you lift it right off. Yes, magic! A tiny bottle of Frezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Frezone is the sensational discovery of a Cincinnati genius. It is wonderful.

The next game will be on Tuesday night between the B.I.S. and C.E.I., and a most exciting clash is assured.

Garden Party Well Attended.

St. Joseph's Garden Party held in Reinde's Field yesterday afternoon proved an immense success. The proceeds far exceeded the anticipations of the organizers. Some two thousand people were in attendance and enjoyed themselves watching the various games, races, and other attractions. The C.C.C. orchestra was in attendance and discoursed some splendid selections. In the road race Crocker came first and received a silver cup; Olsen, who was second, received a gold medal, while the third man won an electric torch. The boys from King's Bridge received cuff links for winning the relay race. In the football five the St. Andrew's team came off victorious; the prizes were watch fobs. Messrs. Higgins, Vincombe and Pippy, who had charge of the sports conducted them in a highly creditable manner. Sir Michael Cashin was present during the evening and presented the prizes to the winners. Swinging boats, Aunt Sally, Quoits and other amusements were all well patronized during the evening.

THE "GRUB" PEST.

To prevent damage to plants and shrubs a simple remedy is a weak solution of Sulphate of Ammonia. Use ¼ oz. of Sulphate to one gallon of water. On no account use a stronger solution or you may "burn" the plants.

We have a limited quantity of Sulphate of Ammonia at our Showroom, Oke Building. Full instructions given with each package.
