**STEWART'S
Home Made Bread,**
THE BREAD MY DADDY LIKES.
Daddy is evidently not one of those back number
lords of creation who believes that woman's place
is in the home—and only there. His taste in a wife is
an up-to-date woman who will prove herself a real
companion. He knows that if she is a slave to her
kitchen she can't enjoy the poise or have the interest
in world affairs that a little extra leisure would make
possible; and so he is pleased to eat MRS. STEWART'S
HOME MADE BREAD—the loaf with the home made
flavor.
The smiling, well-nourished kiddie doesn't look as
though suffering because mother is progressive enough
to buy good bread made by a bread specialist, instead
of wearing out her life in the kitchen.
