**A Fine
Recommendation:**
"I never use any other
cooking fat but Crisco. It is
positively the purest and
most economical shortening
I ever used. Whenever we
talk of cooking between our-
selves, I always recommend
Crisco, for I have found by
experience that you can be
sure of your results with
Crisco."
The lady who writes in this
splendid statement
about Crisco goes on to say
that she would rather pay
double the money for
Crisco, than use inferior
brands of shortening.
Good housekeepers are
daily getting on to Crisco.
Have you tried it yet in
your home? At all grocers.
