

Body That of His Own Son

IDENTIFICATION.

ST. JOHN'S, N.J., May 11.—A station agent at the New York and Reading Depot late today helped in identifying a man who had been killed by the 9 o'clock train while crossing the tracks at the station. The body lay in the yard for an hour before it was discovered.

Halper, the ticket agent, stated that the dead man was from Egg Harbor, New Jersey, and that he had been killed by the 9 o'clock train while crossing the tracks at the station. The body lay in the yard for an hour before it was discovered.

Halper, the ticket agent, stated that the dead man was from Egg Harbor, New Jersey, and that he had been killed by the 9 o'clock train while crossing the tracks at the station. The body lay in the yard for an hour before it was discovered.

The Whole Store Now a Repository of the Finest

Every department exudes Springtime freshness, anticipates as it were the many urgent calls for spring house-cleaning and home rejuvenating. The store aids you in bringing spring indoors, as well as anticipating your personal needs in Seasonable apparel, for every member of the family. And nowhere along the street-to-day, will be found values of equal merit, nor assortments so generous, or so well chosen.

Our advertising is a clear straight forward presentation of facts relative to the store. You can put entire reliance in every statement over our signature. In a town, the size of St. John's we have only a limited clientele to draw from. A dissatisfied customer, therefore means a loss we can ill afford to stand. It is only natural then that we are constantly striving to improve both our merchandise and our store service, with the sole aim of satisfying every customer.
