**IRON IN THE BLOOD.**

The necessity of a due proportion of iron in the blood is well known to all medical men; when it becomes reduced from any cause whatever, the whole system suffers, the weakest point being first attacked, and a feeling of languor, lassitude and "all goneness" pervades the system. Stimulants only afford temporary relief, and have the same effect as giving a tired horse the whip instead of oats. The true remedy is to supply the blood with the necessary quantity of iron. This can be done by using the

**PERUVIAN SYRUP,**

a potent solution of the protoxide of iron, which is so prepared that it assimilates at once with the blood, giving strength, vigor and new life to the whole system.

To take medicine to cure diseases occasioned by a deficiency of iron in the blood, without restoring to the system, is like trying to repair a building when the foundation is gone.

An eminent divine says: "I have been using the Peruvian Syrup for some time past—it gives me new vigour, buoyancy of spirits, elasticity of muscle."

Pamphlets containing certificates of cures, and recommendations from some of the most eminent physicians, clergymen and others, will be sent free to any address.

The genuine has PERUVIAN SYRUP blown in the glass. Sold by all druggists.

**VICTORIA MUTUAL FIRE INSURANCE COMPANY OF CANADA.**

(Incorporated under the Act 52, Consolidated Statutes of Upper Canada.)

**HEAD OFFICE, HAMILTON, ONTARIO.**

THIS Company is managed on strictly mutual principles. When a loss occurs a rate of assessment to cover the same is declared on all premium notes in force at that date. The assessments to cover the losses of each year will hereafter be made payable annually from the dates of the respective policies. Payments are thus as regular as in stock companies, while each person insured is only called upon to pay his proper proportion of such losses as occur during the time of his insurance, there being no stockholders to whom profits must be paid. A payment is required at the time of insuring for expenses of management, and for the creation of a fund to be used in payment of small losses, or other claims that may be against the Company. As soon as the term of a policy expires, the balance of the premium note becomes cancelled.

Insurance effected on the most favorable terms, and just claims settled speedily and satisfactorily.
