PROPESSIONAL GAMES.

PROFESSIONAL GAMES.

This afternoon the MUTUALS and ATEerrors play in Philadelphia; and on Satrday afternoon the PHILADELPHIA and
obtons play in Chicago. The latter will
odoubt be a fine game.

The following is the American chamionship record to the and of last week:
Won. Lost.

The Bosrons are announced to play i Canada in Guelph, Toronto and Ottaw Why are those Kingston "champions excluded?

excluded?

The Kingeron club has returned home. They attribute their ill luck to the sort ness of their hands—and, we might suggest, their vast amount or room for improvement in playing.

The second mine of Tecumsens beathefirst nine again yesterday 12 to 11 for the Knowlton cup—lat nine, two outs i an innings, 2nd nine three outs.

Mount Forest and Clifford played last Friday. The former scored 134 in one innings, the latter 87 in two innings.

Base Ball Championship.

The London Evening Herald says: Since an accidental defeat which the Guelph champions suffered at Kingston weeks ago, the Penitentiary boy have been putting on style, and even fel they were being ill-treated, in not having the silver ball immediately handed over to them. Having waited a reasonable time to give Guelph an opportunity to see it in the same light, they started after the ball to fetch it, whipping a couple of third-class clubs on their way up, just for the sake of keeping their hands in Toronto must have created some slight misgrings in their creases, though it could hardly have prepared them for the tremendous drubbing they received at Guelph. At the close of the game the score stood 36 to 3. The St. Lawrence were 3. This fully satisfies them. Although they have taken unto themselves airs during the last month or so, we venture to predict that they will be contented with a back seat during the remainder of the season.

Harriston Correspondence.

Mr. Duncan Scilar, of Minto, met with an accident on Thursday last, by which he lost his life. The facts of the case as nearly as can be gathered are these:—The deceased was engaged working on the T., G. & B. Railway near Wroxeter, and was on the day in question going from Minto out to his work, being driven by Mr. Alex. Crawford, of Wroxeter. Rumour has it that they both got the worse of liquor. On going through Fordwich Crawford commenced to drive at a furious rate, and when going down a hill at the entrance to the village the waggon struck a stone, throwing deceased out between the hind and front wheels, when the hind wheel passed over his breast. The affair appears to have been unnoticed by the teamster, who kept driving on regardless of what happened. The people on the street noticed it and ease to the assistance of deceased. Finding him insensible they carried him to Rullage's Hotel, and procured medical aid; but the hurt proved fatal; he expired in about thirty minutee. Dr. Small, of Wroxeter, held an inquest on the following day, when a verdict was returned that deceased came to his death by falling from a waggon while under the influence of liquor.

LOCAL MATTERS.

The Minto Agricultural Society held a meeting at Markle's Hotel on Saturday, the 9th, for the purpose of making arrangements for the holding of the fall show, and decided to hold it in Harriston on the 7th of October.

The Wesleyan Methodists have advertised for tenders for the erection of a new brick church according to the plan and specification. It will surpass any building of the kind in this section.

The Harriston correspondent of The Elora Observer finds fault with our Village Council for not repairing the Elorastreet Bridge, and thinks that they should be made to pay for any mishap which might arise from its condition.

He should get better posted before he makes such assertions; as the Harriston Council have actually nothing to do with, it being a county bridge, and should it. Acting surgeon, J. S. HOU 3HTON,

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever in-troduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
