

It has frequently been maintained that wetting coal increases the amount of heat given out in combustion, but a careful enquiry has shown, first, that there is no increase of heat; second, that a loss of heat always follows addition of water; third, both the amount of heat and the temperature of the fire are considerably diminished.

The granite soldier who is to surmount the national monument at the battlefield of Antietam has been completed, and is claimed to be the largest figure in sculpture out of Egypt. He weighs over thirty tons, and is twenty-one and a half feet high. The gun he holds is eighteen feet long, and his chest three feet in length. The face is smooth shaven, except having a heavy moustache, and is that of a resolute man.

A Mohammedan mission is to be established in Chicago. It is said that no follower of the great prophet dare take that which is not his own, and we have ample historical evidence to prove that Mohammedans live up to their creed in this respect. The mission will be a boon to Chicago.

BREAKFAST.—Epps's Cocoa.—GRATFUL AND COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. —*Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labelled — "James Epps & Co., Homoeopathic Chemists, London."

Steel goods are rubbed over with a mixture of lime and oil, to preserve them from rusting. Spots of rust are removed in rubbing them with fine emery and sweet oil. To remove rust spots from linen, oxalic acid or binzoate of potash is commonly used.

HAVE YOUR CLOTHING MARKED.—In a lifetime it will save you many dollars and afford much gratification. Payson's Indelible Ink is indispensable for the purpose; it needs no preparation, it will not injure the finest fabric and can be used with a common pen.

Special Notices.

IT IS OF THE UTMOST IMPORTANCE that a remedy intended for popular use should be not only thoroughly reliable and scientific, but incapable of producing dangerous results. The treatment of old lingering complaints is necessarily protracted, and if deleterious drugs are taken into the system for a long time, they may accumulate and do more harm than good. Dr. Wheeler's Compound Elixir of Phosphates and Glycerine, containing elements of the tissues, repairs diseased bone, muscle and nerve, and renews constitutional vigor in the same manner as our daily food, with no more liability of injury. It may be taken in all forms of debility in the young or aged, with positive certainty of permanent benefit.

The Simplest, Cheapest, and Best Marking Apparatus in the World For Marking COTTON, SILK, WOOLEN, and LINEN, is PAYSON'S INDELIBLE INK. Used with a Common Pen without a preparation.

This ink flows perfectly; will write as easily on the finest muslin ink on paper. It does not dry up, and retains its virtues longer than any other ink known. It will not injure the finest fabric. Payson's Ink has endured the test of forty years, and is now the most popular ink in existence, and is unrivalled for uniformity of quality and durability. It will mark more neatly, quickly, and indelibly than any other apparatus. It requires no preparation of the fabric.

Price, 37 cts. per bottle.

Co-Operative Store.

On reference to all our advertisements since commencing business in Guelph seven years ago, it will be seen that we never offered "To Slaughter Goods" "To Sell at Half Price" "To Sell at a Great Sacrifice Irrespective of Cost" "To Sell 50 per cent. under other Houses" "To Keep the Largest and Best Stock in the Dominion."

We have carefully abstained from exaggeration, giving facts and figures only, leaving it to the buyers to judge for themselves.

Our aim has been to buy low, sell cheap to increase our sales, to allow no house to undersell us, to give our customers a share of profits, and make only one price.

THE RESULT has been that we have done a steady, prosperous, and increasing business, retaining old and obtaining new customers. Some left us to obtain goods "at half price," but soon returned, as "actions speak louder than words." Hence we will continue to conduct our business on the same principle.
