"Honesty is the

Best Policy."

Never was a more pointed saying put into print, and yet to be honest only because it is policy is a poor kind of honesty. Better change "policy" to "principle" and the world will like you better. In the medical world there is one medicine honest for principle's sake-and that is Hood's Sarsaparilla.

It is the specific of the age for all blood troubles. The liver, kidneys and bowels are all toned up by its action as a cleanser and thus good health ensues. It never disappoints.

Rheumatism-"I believe Hood's Sarsaparilla has no equal for rheumatism. It has done me more good than any other medicine I have taken." Mrs. PATRICK KENNEY, Brampton, Ont.

Bad Cough—"After my long illness, I was very weak and had a bad cough. I could not eat or sleep. Different remedies did not help me but Hood's Sarsaparilla built me up and I am now able to attend to my work." MINNIE JAQUES, Oshano, Ont.

Biliousness—"I have been troubled with headache and biliousness and was much run down. Tried Hood's Sarsaparilla and it gave me relief and built me up."

MORRISON, 89 Defoe Street, Toronto, Ont.

Heart Trouble—"I had heart trouble for a number of years and different medicines failed to benefit me. I tried Hood's Sarsaparilla and three bottles completely and perfectly cured me." Mrs. C. A. FLINN, Wallace Bridge, N. S. A Safeguard—"As I had lost five children with diphtheria I gave my remaining two children Hood's Sarsaparilla as they were subject to throat trouble and were not very strong. They are now healthier and stronger and have not since had a cold."

MRS. W. H. FLECKER, Pembroke, Ont. Varicose Veins - "I have been a great sufferer from varicose veins, which swelled my foot and limb, discharging watery matter. I took Hood's Sarsapa-rilla faithfully and the sores healed." Mrs.

THE PROBLEM. The great problem now is how to get money and how to get the greatest portion of every dollar given to the non-Christian whom it is desired to convert. At present, it is said, 92 cents on the dollar actually reaches the heathen. It is hoped that the 8 cents or cost of administration may be much reduced, and it is hoped by this conference to so combine work in the same fields and by the the elmination of all unnecessary competition to effect this
