Terrible Tales of Massacre

Told by All the Correspondents in China.

Between 15,000 and 20,000 Native Christians Butchered During July—British Press Calls for Swift Punishment—Russian Predominance Pointed Out by the Times' Pekin Correspondent.

London, Thursday, Sept. 13, 3:15 a.m.

—All the correspondents in China are sending terrible stories of the wholesale massacre of missionaries and native Christians. It is asserted that during July between 15,000 and 20,000 converts were massacred in the northern provinces. Large numbers of missionaries are still unaccounted for, and small hope is entertained of their escape. The horror is intensified by confirmation of the reports that the women are subjected to unspeakable barbarities. The newspapers are calling for swift punishment.

The Times publishes this morning additional dispatches from its Pekin correspondent, Dr. Morrison.

"The censorship, which is under Sir Alfred Gazelee's control, makes it difficult," says the correspondent, "to convey a true picture of the present situation in Pekin. Today the foreign community was thrilled with horror at the news of the massacre of the missionaries at Pao Ting Fu, who were under the protection of the imperial troops. Children were butchered before the eyes of their parents, while women were outraged and carried into captivity. Parents were tortured and murdered. Massacres by red Indians never call in vain for vengeance; yet the same here have been committed. One thought and wish are to be given work or to be recalled from Pekin. Surely the civilized world will not suffer this cruel massacre to remain unavenged and make no effort to ascertain the fate of the poor martyred native Christians and white women."

PREDOMINANCE OF RUSSIA.
"Since the relief of the legations one feature stands conspicuous—the predominance of Russia and the overwhelming position she is now asserting here. The present in the Forbidden City on Aug. 28 was a triumphal entry by Russia, followed by the other powers. Russia did the honors, greatly to the chagrin of the other mis-

ters. Russian troops are pouring into Pekin daily. Nineteen hundred came yesterday and 2500 the day before. Already the Russians outnumber the Japanese, and they will soon outnumber the combined forces. Their stay is assuming every character of permanency. Cossacks daily raid the country and drive the Chinese peasants and laborers in herds through the deserted and dismantled city setting them to build their military camp."

Statements were current in the European capitals last evening that all the powers had replied to the Russian proposition; that Great Britain and Germany had declined to evacuate Pekin; that Austria and Italy had decided to be guided by Germany's decision, and that the other powers had agreed to a more or less modified withdrawal. The Paris correspondent of the Morning Post claims to know that the allies will only withdraw outside the walls of the capital, where they will continue to dominate Pekin in a military sense.

RUSSIAN LOOTING.
The Pekin correspondent of the Daily Telegraph says: As the allies were leaving the Forbidden City on Aug. 28, bands of Russians and civilians, with the soldiers, over-ran the imperial apartments, forced drawers and doors, and looted everything portable. The British officers compelled several civilians to disgorge.

A dispatch from Pekin, dated Sept. 5, says: The Russo-Chinese Bank, which closes today and removes to Shanghai, will confiscate, as part of the indemnity to be paid to Russia, the imperial university fund of 5,000,000 taels, deposited with it, against which the Chinese drew for the payment of their troops.

He Confessed.
CAPTURE OF BARON VON KETTELER'S MURDERER.
Pekin, Sept. 9.—The Japanese have arrested the assassin of Baron von Ketteler, the late German minister to China, and handed him over to the Germans. He has confessed his guilt. He was arrested for trying to sell a watch, which he admitted taking from the body of the baron. He afterwards admitted the crime, saying that the imperial government ordered the commission of the act.

TWO HUNDRED BOXERS KILLED.
Pekin, Sept. 9.—Col. Trevelock's party yesterday engaged 500 "Boxers," seven miles from Mashipo. The Boxers were armed only with swords and spears. The Russian cavalry charged on them, killing many, including their commander. The casualties among the Boxers are estimated at 200. A Russian officer was wounded and two Cossacks were killed.

A troop of American cavalry sent to act as a convoy for cattle surprised 300 imperialists quartered at the Temple Shaho. They killed thirty and captured 120 rifles. The enemy fled northward.

MORE MASSACRES.
Yokohama, Sept. 12.—A Japanese officer at Chong, Corea, reports that two Japanese and several hundred Chinese and Korean converts have been murdered on the frontier by the Chinese.

Peace Parleys.
EACH WAITING FOR SOMEBODY ELSE.
Pekin, Sept. 9.—Prince Ching, during the course of private interviews with the ministers yesterday, informed them that while he had power to negotiate he could not act without Li Hung Chang. Li Hung Chang has been urged to come to Pekin. Marquis Tseng states that nothing can be done until the arrival of the emperor.

The Japanese found Prince Ching in the western hills 20 miles distant. They are holding him there with the view of a conference, and in the hope that he may establish communication with the dowager empress.

Li Hung Chang declares that he is willing to negotiate for the restoration of Emperor Kwang Su, but not for the punishment of Prince Tuan, Yung Lu or Kang Li, president of the board of war.

Prince Ching has informed Li Hung Chang that a certain power four conditions to be accepted before agreeing to an armistice, the neutralization of Tien Tsin, the creation of Heliang Kiang as a buffer, the placing by the powers of international garrisons at the treaty ports, and the execution of the Boxer chiefs.

Li Hung Chang has received an edict appointing Prince Ching and Gen. Tung Lu additional peace commissioners. He has advised Yung Lu frankly to confess that his troops were beyond control and attacked the foreigners. Li Hung Chang will then inquire whether the allies are prepared to accept Yung Lu as a commissioner.

PRESBYTERIAN MINISTER KILLED.
Washington, Sept. 13.—Minister Conger cables the state department, under date of Sept. 9, as follows: "Hodges

Trusses, Crutches, Atomizers, Rubber Gloves, Rubber Sheeting, Hot Water Bottles, Ice Bags, Sponge Bags, etc.

In fact anything you want in rubber goods we have it at right prices.

CAIRNCROSS & LAWRENCE, Chemists and Druggists, 216 Dundas St., London.

killed at Pao Ting Fu." Hodges was a Presbyterian minister.

BITS OF CHINA.
A dispatch from Pekin, under date of Sept. 1, says that the British commander has placed a garrison of 50 men at a bridge four miles south of Fungti. The British put to death a Boxer whom they captured, and who confessed he had murdered eight Chinese Christians.

A dispatch to the Frankfort Zeitung from Shanghai, dated Tuesday, Sept. 11, says the Boxers, united with the Society of the Big Knife from Northern Shan Tung, are reported to have defeated the imperial Chinese troops north of the Province of Kiang Su, which is south of Shan Tung.

EXIT KRUGER!

London Papers Publish Oom Paul's Obituary—Leyds Says the War Will Go On.

London, Sept. 13.—All the morning papers publish sketches of Mr. Kruger's extraordinary career. The editorials comment upon his humiliating and undramatic exit which is universally regarded as less perplexing than, and therefore preferable to, capture. His flight with the bullion is regarded as putting an undignified end to his legal pretensions.

Dr. Leyds, interviewed by a Mail correspondent in Amsterdam, affirmed that the South African war would not be affected by President Kruger's departure for Holland, says the New York Tribune's London correspondent. He further asserted that as a last resource the Boers would probably trek into German Demarsland.

NINE ARE DEAD

Car of a Female Minstrel Troupe Wrecked—Only One of Sixteen Escaped injury.

Memphis, Tenn., Sept. 13.—A special to the Commercial Appeal, from Cairo, Ill., says the special car of the Duncan Clark Female Minstrel Troupe was wrecked at Mounds yesterday afternoon, and of sixteen occupants nine are now dead and six others are seriously injured, some of them perhaps fatally.

The injured are all in the hospital here, Duncan Clarke, the manager, will probably recover. Patrick Patterson, the only man who was killed, was the cook, Etta Patterson, his wife, was horribly injured, a large piece of wood being driven through her right shoulder.

PUMPER DROWNED.

Niagara Falls, Sept. 13.—During the terrific windstorm on Tuesday night, Edward Carter, pumper at the Niagara Falls waterworks pumping station, lost his life. It is supposed he was diverting the floating debris, driven into the flume by the force of the wind and high water, and either slipped or was blown into the flume.

PRICES GONE TO SMASH.

Toronto, Sept. 13.—Prices in fruits and vegetables have gone to smash on account of the enormous production of peaches, summer and fall apples, tomatoes and cucumbers. According to the estimate of a large wholesale fruiterer, 200,000 barrels of summer and fall apples have already been wasted in Ontario this year. Niagara peaches have sold at 15 cents a basket. Tomatoes are selling as low as 10 and 12 cents per bushel, and potatoes at 25c and 30 cents per bag.
