on the part of Manitoba. Of Little Value. Though it is contended by Manitoba members that Ontario has no right to claim a share of the port, rived at. It is pointed out by surveyors, who have first-hand knowledge of the territory in question, that the additional shore line claimed by Ontario is of little value, since at high tide the greater part of it is under water, and the cost of constructing a harbor on the south side of the river at Port Nelson would be enormous. In support of Ontario's proposi ion for a trade of territory, s noted that according to the preliminary surveys of the Hudson Bay vigorously as ever. One officer states Railway the terminus would be on the south side of the Nelson River on Windsor into the United States recent- Beacon Point, which would, under the proposed new arrangement be in On-
