TUNE 22.

The governing sign of this birthdate is Cancer, the sign of the crab, and the governing planet is the Moon. The gems are either an emeraid or black onys. The astral colors are green and russet brown.

Those born under this sign and on this date should never marry early in life: in fact, a single life is generally to be preferred by the Cancer women. They should study themselves most conscientiously in this vital matter. When these people are unhappy in the marital relations, they are the most wretched people in the world.

As these people have a great aptitude for learning new things, they should give themselves to such study as will strengthen the will and enlighten the conscience.

Are you anxious to purchase a new pet, cat or dog? and don't you know where to go? Then use the simplest method on the earth, the Want Ads. They will tell you just where to get the best of everything.

CINCINNATI. Ohio, June 21.—Morryich, Ben Block's Derby winner, was the center of attraction at Latonia race track, where hundreds of racing fans journeyed today, hoping to catch a glimpse of the great three-year-old and possibly to see him in action in preparation for his appearance in the \$50,000 Kentucky special race, to be run on Saturday. Is agreeable symptoms which every stomach suffere knows so well.

Artificial digestents are not needed in such cases and may do real harm. Try laying aside all digestive aids and instead get from any druggist a few ounces of Bisurated Magnesia and take a teaspoonful in a quarter glass of water right after eating. This sweetens the stomach, prevents the formation of excess acid and there is no sourness, gas or pain. Bisurated Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach inexpensive to take and is the most interpretable to the sounces of British Columbia.
