Mr. Pitts believed the increased membership would be much in the interest of the Board of Trade, and he hoped the resolution would carry.

D. W. Higgins thought a printed copy should have been sent to every member of the board.

It was explained that copies had been sent to each member.

The resolution carried unanimously.

The secretary then presented a document submitted by Mr. Morley, containing the names of 110 members of the Chamber of Commerce. The chairman commented that this accession would bring the membership of the

Nervous Headache

The person who has become subject to repeated attacks of nervous, sick headache may well have dark forebodings of the future lest the outcome may be nervous prostration, paralysis or insanity.

Such relief as may be obtained from the use of powders, tablets or wafers. which almost immediately stop pain, is only temporary, and the shock to the nervous system is not only harmful but positively dangerous.

As in all diseases of the nervous system, the real cause is a deficiency in the quality or quantity of the blood, and cure can come only when the richness and life-sustaining powers are restored to the blood by such a preparation as Dr. Chase's Nerve Food.

This great food cure cures headache, just'as it does other symptoms of an exhausted condition of the nervous system, by actually forming new, rich, red blood and creating new nervous force.

Though this upbuilding process is of necessity slow and natural, the results are certain and lasting. Headaches, as well as all other aches and pains, disappear, and through the medium of the nervous system every organ in the body is quickened to new

and regular action. The appetite is sharpened, digestion improves and all the weaknesses and irregularities of the vital organs which usually accompany nervous exhaus-

I had not used Dr. Chase's Nerve Food long before I noticed that my sleep was better and the headaches less severe. I can say new that I am as well as I ever was, and give all the credit to Dr. Chase's Nerve Food."

Mrs. Corkey, 272 Wellington St., Kingston, Ont., states:—"I suffered a great deal with nervous headache. At times I took weak, dizzy spells and my nervous system seemed quite undermined and exhausted. Some time ago I heard of the good results accomplished by Dr. Chase's Nerve Food and began to use it. Since I have been taking this medicine a great change has come over me, the headaches have disappeared, my nerves have been strengthened, and I do not have any more of the dizzy spells. I have nothing but Dr. Chase's Nerve Food to thank for this cure."
