The Clyde yachtsmen are satisfied with the reply of the New York Yacht Club to Lord Dunraven's challenge, although they think that an eight-months' term of notice would be preferable to a tenmonths' notice. The consensus of opinion among yachtsmen is that Carter as captain of the British boat would be preferable to Cranfield.

We doubt of George Swith the pugic

The death of George Smith, the pugilist, from injuries received in his contest with "Dummy" Winters in London, on Dec. 7, has resulted in the arrest of three newspaper reporters, together with the time-keeper and the promoter of the fight. They will be charged with being accessories to the crime of manslaughter.

On Friday next some of the crack shots of the Whitby, Oshawa and Port Hope Gun Clubs intend visiting the city, and participating in a shoot, under the auspices of the H. P. Davies Co. The targets will be blue-rocks, and sufficient traps will be arranged to accommodate all wishing to shoot. All sweeps will be open and will be under the direction of W. McDowall.

Pete Duffy, an old-time foot racer, died Pete Duffy, an old-time foot racer, died at Ottawa recently. He never recovered consciousness after being stricken with paralysis, and died peacefully. In his prime, fifteen years ago, he was one of Canada's most conspicuous figures. The greatest runners of the time went down before him. He frequently covered 100 yards in ten seconds, and won many a big purse in competition with the cracks of America across the line. Such runners as Stone, Woods, Bethune and others met their Waterloo at times with Duffy.

In the obituary notices of the late Pre carlier works "On the Consumption of Tissue During Muscular Action." In this work Prof. Helmholts set the theory forth as an established fact that where-ever there is muscular action there is also a wasting or rather a consumption

william Adamson, secretary, presented his report, which showed there are now in good standing one honorary life members, making a total of 565. During the present year 171 members had been nominated. At the conclusion of the reading of his report Mr. Adamson stated he had been connected with the society for 25 years and during all that time had occupied some position, and now desired to be relieved from offices.

The nomination of officers resulted:

President, Capt. D. M. Robertson, elected by acclamation; first vise-president, Dr. Daniel Clarke, acclamation; second vice-president, George Vair, Malcolm intee (14 to be elected), William Campbell. Robert Love, W. Scott, George Massie, Hugh Miller, A. Fiddis, J. Wilson Gray, Robert Waldrum, Inspector Stephen, James Sinclair, Alexander Fraser, Neil McKinnon, W. This subject of wasting is almost inexhaustible. Scrofula results in a wasting of the vital elements of the blood, and anemia is simply no blood at all. Consumption is probably the worst form of wasting. In all of the early stages of this disease Scott's Emulsion will effect a cure. It requires time to recover after a patient is once into consumption, but there are numerous cases where Scott's Emulsion has cured persons who had got so far that they raised quantities of blood.

The wasting tendencies of babies and children are known to too many unhappy parents. There does not in thousands of instances seem to betany cause for their growing thin, but as a matter of fact their food does not nourish them and the babies are weak and children seem to grow only one way.
