peerage, (says the Globe,) is at once a recortiling of Capt. Brown's, as also the seamen's ed properly appreciate his urbane and gentle-nation by the highest are bority of his greet clothing, and told Captain Brown not to pro-manly deportment, in the discharge of diffuse extress in Canada, and will give to the House ceed all they had hoisted a light, which they

SUMMARY OF NEWS:

Of Lords a member of seems practical knowledge and of liberal opinions, both of which are much needed in that assembly

We are happy to american this noble are much needed in that assembly

There were two fires in London on the cently visiting the Earl of Carlise at Navorth Cassile, and other families of distinction in Camberland, passed through Dumfries this day (Monday), at three o'clock, on his way to Danhaurig, where we understand, he will remain from days on a visit to the noble and hospitable possessor of that princely castle.

SumMARY OF NEWS:

of Lords a member of seems practical knowledges and of liberal opinions, both of which are much needed in that assembly

There were two fires in London on the science of the Bedford family, who has been recently visiting the Earl of Carlise at Navorth perty to the assembly of £70,000. One destroyed the warehous so on Hore's wharf, the Other, the steam saw-mills of Mr. Frea. On pearance resterds, which we wished had been seen by all those who live on the waters of the Great River, of which Quebec is the machinery, which cost £20,000, was destroyed by fire.

Scaling Letters.—It is recommended by two hundred square-rigored vessels, which?

The Government magazines are ready to

Sheep, horses, &c.

The cumbersome bear-skin cap, ordered by Geo. IV, for the use of the Fusileers and Crenadier companies of the line, is to be discontinued, and replaced by a smart chaso.

Death has deprived the army list of two naive veteran officers of high standing. Major General Sir Jas Limeud, K. C. B. died at Spanish brig, Baltimore built, with her flead son connected with the trip. General Sir Jas Limeud, K. C. B. died at Boulogne, and Lieut. Gen. McNair, C. B. at and stern covered with cloth, and armed with son connected with the transportance of the Province of the Southampton last month.

Soldiers and the Penny Postage.—The introduction of the penny postage was considered by about 190 of its accomplishment. The shares are last transportance of the public; but it blaced soldiers in a post-inel fracks, which at a sign from their officer by persons interested in the radio of New found they had to pay 50 per cent. more they all, took off, and underngath which, each foundland.—Had Journal.

The elevation of the Right Hon. Charles bow, sprit, jib-boom, a quantity of rope and him. Mr. S. will carry with him the best Poulett Thomson, Governor of Canada, to the carvas, the watch, shirts, and sundry other wishes of all classes here; who we are smish

dark, by a train of find-waggons, by which his legs were severed from his body, and he he does while being conveyed to the London hospital. The driver of the engine also was killed by this second accident.
