GET ACQUAINTED WITH THE BEE-KEEPERS' REVIEW.

The December issue has 24 pages, a cut showing the "Home of the Review," also an accompanying article descriptive of "The Review, its Home, its Editor and his Family." This number shows more clearly, perhaps, the plan upon which the Review is conducted, than does any single number that has preceded it. In its advertising columns will be found the description of a plan whereby all who wish, may secure the back numbers at a trifling cost. The special topic of this issue is "What will Best Combine with Bee-Keeping; and What shall Bee-keepers do Winters?" This number will be gladly sent free to all who apply, and with it will be sent two other numbers. W. Z. HUTCHINSON, Flint, Mich

Bee-Keepers Guide OR MANUAL OF THE APIARY.

This fifteenth thousand much enlarged and more richly illustrated than previous editions. It has been fully revised, and contains the very latest in respect to bee-keeping. Price by mail \$1.50. Liberal discount to dealers and for clubs.

 LANSING, MICH.

Tested Carniolan Queens.

We have just purchased all the Tested Carniolan Queens John Andrews, of the late firm of Andrews & Lockport, has now wintering in their 100 colonies. These queens are to produce 20 bees showing yellow bands, and are to be shipped in May. Anyone in need of a fine breeding queen early in the season should correspond with me, or anyone interested in the Carniolan bees should read our catalogue describing these bees. Address THE ADVANCE, Mechanic Falls, Me.

BARNES' FOOT-POWER MACHINERY

Read what J. J. PARENT, of Charlton, N. Y., says—"We cut with one of your Combined Machines last winter 50 chaff hives; with 7 inch cap, 100 honey racks, 500 broad frames, 2,000 honey boxes and a great deal of other work. This winter we have double the number of bee-hives, etc. to make, and we expect to do it all with this saw. It will do all you say it will." Catalogue and Price List free. Address W. E. & JOHN BARNES, 544 Ruby St., Rockford, Ill.
