Conviction and Acquittal

will always follow an honest trial of the greatest known household detergent,

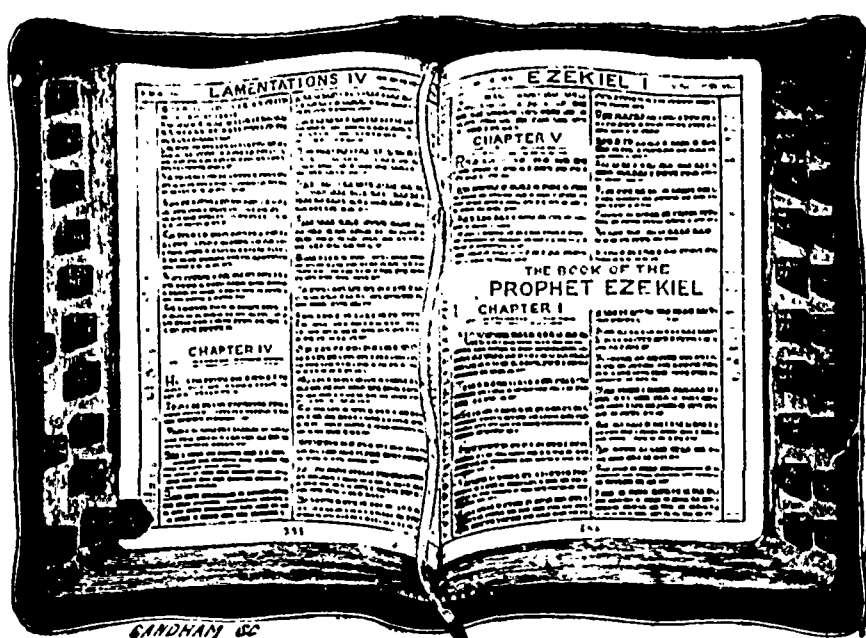

Pearline

Conviction—You'll find it guilty of being economical; saving time, labor, wear and tear on yourself, clothing or paint, and far superior to any soap or washing preparation made.

Acquittal—You'll be relieved of any suspicion you may have held as to its being extravagant, or dangerous to fabric or hands. It can't injure anything washable. Try it on your finest laces and linens.

Beware—Pearline is the original Washing Compound—used by millions, but imitated by thousands who peddle their stuff or give worthless prizes. Pearline is never peddled, but sold by all grocers.

Manufactured only by JAMES PYLE, New York.

PATENTED 1887.

Coughs, Colds, Croup.

Allen's Lung Balsam was introduced to the public after its merits for the positive cure of such diseases had been fully tested. It excites expectoration and causes the Lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect that it is warranted to break up the most distressing cough in a few hours' time, if not of too long standing. It contains no opium in any form and is warranted to be perfectly harmless to the most delicate child. There is no real necessity for so many deaths by consumption when Allen's Lung Balsam will prevent it if only taken in time. For Consumption, and all diseases that lead to it, such as Coughs, neglected Colds, Bronchitis, Asthma and all diseases of the Lungs, ALLEN'S LUNG BALSAM is the Great Modern Remedy. For Croup and Whooping Cough it is almost a specific. It is an old standard remedy, and sold universally at 50 cents and \$1.00 per bottle. The 25-cent bottles are put out to answer the constant call for a Good and Low-Priced COUGH CURE. If you have not tried the Balsam, call for a 25-cent bottle to test it.
