of our youngest, as he appeared recently, after having dropped out of his high chair on to the floor, very solid. We rubbed the afflicted parts thoroughly with St. Jacobs Oil, and he was soon put right again, and is now the joy and hope of our lives.

We shouldn't think, however, of being without St. Jacobs Oil in the house, not only on account of the Baby, who frequently receives knocks and scratches, but on account of the Rheumatic aches and pains, which we sometimes have.

We find that St. Jacobs Oil removes all these like magic—in fact, it is thoroughly a Household Remedy, and it is a household word, that St. Jacobs Oil "Conquers Pain."

After trying various remedies, I began taking Ayer's Sarsaparilla, and, before I had finished the first bottle, I experienced great relief; the second bottle effected a complete cure."
