RIPANS

ONE GIVES RELIEF.
NO MATTER WHAT'S THE MATTER
ONE OF THEM WILL DO YOU GOOD.

Rev. Frederick R. Marvin, long-time pastor of the First Congregational Church, of Great Barrington, Mass., and at one time a practicing physician, a graduate of the College of Physicians and Surgeons, New York, says of Ripans Tablets: "The formula has long been in favor with medical men, and the method of preparation in the present form is modern and a great convenience. I always keep a box of the Tablets upon my dressing table, and use them with confidence whenever occasion arises. For a disturbed condition of the digestive organs I know of nothing so good, and for an 'all round' family remedy I do not believe there is anything better to be had."

HEALTH AND HOUSEHOLD HINTS

Keep tea in glass or porcelain jars. An expert says it is ruined if kept in metal boxes; therefore the tin canister must go.

It is said that a napkin wet with ice water and laid across the eyes will induce sleep even in the most aggravated cases of insomnia during these warm nights.

If the flies prove troublesome about the gilt frames, and other gilt ornamentations that are uncovered at this season, boil four or five onions in a pint of water and apply it with a soft brush.

Sponge Pudding.—One egg, one cupful of sugar, a small piece of butter, one-half cupful of water or sweet milk, two teaspoonfuls of baking powder, and flour enough to make a good batter. Bake in a long tin pan in a quick oven.

Oatmeal Nectar.—Pour four ounces of oatmeal into a porcelain kettle; add six ounces of white sugar and a lemon sliced thin; mix with a little cold water; then pour on one gallon of boiling water. When cold drain off, and it will be a nourishing and refreshing drink.

Peach Foam.—Chop a can of peaches, heat, and thicken with three tablespoons of corn starch dissolved in a little water. Add the juice of half a large lemon. Remove from fire, and when nearly cold whip in the beaten whites of three eggs. Serve quite cold.

Chicken Pudding.—Cut up a spring chicken, and cook tender in a little water. Take up, spread on a dish, season with pepper, salt and butter. Make a thick batter. Butter a pudding dish, and put a layer of chicken in, and pour over a cupful of batter. Continue until the dish is full. Bake and serve with butter sauce in a gravy boat.

Baked Rhubarb.—Cut strawberry rhubarb into inch pieces without removing the skin; sprinkle one-half teacup of sugar over each pint of well-washed fruit and place in a pudding dish without any water; cover closely and bake just long enough to make tender. Each piece will retain its shape and the juice have the color and flavour of strawberry.

Don't let the little ones suffer with tooth-ache during these warm nights, when it is so difficult to sleep under the best conditions. Teach them to chew cinnamon bark when a troublesome tooth threatens to ache. This destroys the sensibility of the nerve, suspends the pain very quickly and is most pleasant to the taste, besides having no injurious effect on the teeth.

Steamed Spring Chicken.—Take a half-grown spring chicken, split down the back, rub with salt and pepper, place in a steamer and steam one hour. Prepare a sauce of one pint of cream, half a pint of boiling water, six spoonfuls of flour, a tablespoonful of corn starch and butter each, with pepper, salt, and a few drops of extract of celery. Mix all together, let boil one minute, and pour over the chicken.

Egg Puffs.—Soften a tablespoonful of butter to a creamy consistency by working with a fork; beat three eggs to a froth and add them to the butter; add also a level teaspoonful of salt and six tablespoonfuls of flour. Beat all these together until they foam, then put them into buttered earthen cups or small tin pans and bake in a hot oven for about half an hour, or until they are cooked through and nicely browned. Serve hot for breakfast or luncheon.

To make house plants grow, Professor Boosof says: Saturate the earth around them every day with the coffee left over at breakfast. Five or six drops of ammonia to every pint of water once a week will make them flourish. To make bulbous flowers blossom, fill a flower pot half full of quick-lime and the remainder with good earth, plant bulbs and keep the earth damp. The heat of the lime, tempered by passing through the earth, will cause the bulb to send forth shoots to blossom. The colors of red and violet flowers are rendered extremely brilliant by covering the earth in their pots with about one-half inch of pulverized charcoal. Charcoal does not affect yellow flowers at all in this way.

WONDERFUL are the cures by Hood's Sarsaparilla, and yet they are simple and natural. Hood's Sarsaparilla makes PURE BLOOD.

Bristles with good points, and the minute they spy dirt they rise up and go for it. No matter what it's on—linen, laces, silk, woolens, flannel, marble, china, glass, wood, metal, or your own person, Pearline will get the dirt off with the least trouble and labor. It saves that ruinous wear and tear that comes of rubbing. Another point to think of: Pearline is harmless to any washable substance or fabric.
