

13 years of its existence, the Synod has never yet had a vote by Orders, although it only requires the demand of two members. We are glad to feel that this has been the case, and hope it may long continue. It would be strange indeed if there were no differences of opinion on many matters; but so long as the discussions are carried on in a kindly spirit, each man giving his neighbour credit for honesty in his opinion, so long will the proceedings continue to be harmonious, and the influence of the Church increased.

It remains to be added, that the Sessions of the Synod are open to the Public, so that all may attend and see and hear for themselves what has been done, and what it is proposed to do.

All Clergy and Lay Delegates, who intend to be present at the Synod, must send their names to the Secretary, the Rev. W. F. Webb, Calgary, not later than July 20th., if they desire hospitality to be provided.
