RAMBLING CLUB.

THE first tramp of this newly formed club last Saturday was a most enjoyable one. To the number of 22 the young men started for Brocton and West Toronto, where a friendly game of football was played. The return from the Humber was made by steamer. This delightful way of spending Saturday afternoons promises to be very popular with the young men, and a larger number is expected on the 20th. The place of rendezvous being at the

fountain in the Horticultural Gardens at 2 30. The route selected for Saturday is through St. James' Cemetery, Rosedale and the Reservoir. Mr. M. L. Rouse, M.R.A.C., will accompany the party, and as he is an ardent and experienced botanist, a rich treat is in store for all who will be present.

On the 27th the party will go to the Humber, leaving York Street Wharf at 2.10 p.m., and as this will be the first "Star" day a large number of the members with their lady friends will, we are sure, be present.
