

TO CONTRACTORS

Sealed Tenders, addressed to the undersigned, will be received until noon on FRIDAY, 11th, 31st INST., for building Concrete Abutments, Pedestals and Concrete Floor for the Wilson viaduct in the City of St. Thomas. The work consists of two abutments, eighteen pedestals and fifteen thousand seven hundred and seventy square feet of flooring.

Plans and specifications may be seen, and blank forms of tender obtained at this office.

The right is reserved to reject any or all tenders.

A certified cheque made payable to the Treasurer of the City of St. Thomas for two hundred dollars must accompany each tender as a guarantee of good faith.

JAS. A. BELL,
City Engineer.

St. Thomas, Ont.,
May 20th, 1901

Tenders for Hydrants

Sealed tenders, addressed to the Chairman Fire, Water and Light Committee, for the supply of 50 hydrants (six and eight inch) will be received at the office of the undersigned up to 8.30 p. m. on

Monday, June 10, 1901.

Each tender submitted must be accompanied by a blue print and specifications, giving the details of how the hydrant is constructed.

Any further information required by intending tenderers can be obtained at the office of the Water and Light Commissioner, Winnipeg, Canada.

Each tender must be accompanied by an accepted cheque or cash deposit for the sum of \$100, which will be subject to forfeiture in case of failure on the part of the contractor to enter into a written contract with approved securities if called upon to do so.

The city reserves the right to reject any or all tenders, or to accept any bid which appears advantageous to the City of Winnipeg.

C. J. BROWN,
City Clerk.

City Clerk's Office,
Winnipeg, May 25, 1901.

Notice to Contractors
