Pain banished as if by magic. Pain's Nerviline is a positive and almost instantaneous remedy for external, internal, or local pains. The most active remedy hitherto known falls far short of Nerviline for potent power in the relief of nerve pain. Good for external or internal use. Buy a 10 cent sample bottle. Large bottles 25 cents, at all druggists.

A sealion in the Zoological Gardens at Paris saved the life of a little boy who tumbled into the water and couldn't get out on account of the high basin. The seal held him up until help arrived.

## A CURE FOR DISTEMPER.

—My horse was afflicted with distemper so badly that he couldn't drink for four days and was nearly dead. Simply applying Minard's Liniment cured him.  
—Jan. 1887. CAPT. HERBERT CANN.

Woo Sing, Ill., is perhaps the only town in this country that has a Chinese name. It was named by two sea captains who had been in the China trade, and purchased land for the site of the new town about 1855.

—My daughter had a severe cold and injured her spine so she could not walk, and suffered very much. I called in our family physician; he pronounced it inflammation of the spine and recommended Minard's Liniment to be used freely. Three bottles cured her. I have used your Minard's Liniment for a broken breast; it reduced the inflammation and cured me in 10 days. I would recommend it to all ladies who are suffering from the same severe trouble.

An illuminated cat is among the curiosities of the patent office at Washington, D.C. It is made of pasteboard or tin, painted over with phosphorous, and is intended to frighten away 'rats and mice and such small deer' in the darkness of cellars and garrets.

If there is anything in this world calculated to make a man forget that he has been to hear Moody and Sankey on the previous evening, it is to bounce out of bed in the morning and light on the business end of a tack. Should any be so unfortunate, don't swear, but use Minard's Liniment; it will extract the poison and heal up the wound quickly; it is a wonderful flesh healer for man and beast.

Full particulars may be had by addressing the publishers of *Public Opinion* at either New York or Washington.

An ingenious method of applying drugs hypodermically to the human body, in which electricity is brought to bear, is receiving considerable attention.

## THE TEACHERS' ASSISTANT

To Explain and Illustrate the Canadian Church Sunday School Lessons, adopted by our Provincial Synod of Canada,  
Oct. 8th, 1890.

Price only 30 cents per annum.

Brimful of interesting matter on every Sunday's Lesson.

No Sunday-school Teacher who tries it will be without it.

The Bishop of Toronto thus writes respecting the Assistant:

"I strongly commend it to the notice of the Clergy of the Diocese, hoping that they will promote its circulation among their Teachers."

The Bishop of Algoma says:

"The Assistant" is certain to prove a valuable aid to conscientious Sunday School Teachers. Designed (as its name implies) to stimulate but not to supersede careful preliminary study of the lesson, it opens up new lines of thought, which cannot fail to give solidity to the instruction conveyed in the Sunday School that use it."

The Bishop of Niagara says:

"The Teachers' Assistant" will be valued by all who feel the need of their own minds being stimulated and informed before going to the class in the Sunday-school.

Try it. Address
