QUACKS CONFOUNDED

Rheumatism and Gout have heretofore been considered by the ordinary practicing physicians as incurable diseases, and the query has often been pronounced, of what benefit to the helpless sufferer; all their pretended science; and what doth it avail—their tedious and costly course of study—if the are obliged to acknowledge that all their resources are to no account when called upon to prescribe for a patient suffering from chronic rheumatism.

The great trouble lies in the fact that the mode of investigation is prescribed within certain boundaries and limitations compelling the student to tread in certain well-worn paths, or suffer disgrace and excommunication from that highly respectable order of mortals known as the Medical Faculty.

How often genius has been curbed in its flights of investigation; can easily be imagined. And often really grand and beneficial discoveries have been placed under the ban of censure by those self-constituted censor for no reason whatever, but that they are innovation upon a stereotyped and time honored prescription. It was not so, however, with the proprietor of the

Diamond Rheumatic Cure,

for his high standing in the profession, and the learning and science of an able mind, quickly compelled the censor to succumb, and now physicians generally, all over the world, where this medicine is introduced, admit of its wonderful efficacy, an often prescribe it for their patients.

Of course the use of the DIAMOND RHEUMATIC CURE, with out the aid of a physician, is a saving in fees to the sufferer; but the really conscientious physician should rejoice at this, for the reason of the general benefits arising to mankind from its use.

READ WHAT THE PEOPLE SAY. MONTREAL, 21st March, 1871.

Messrs. DEVINS & BOLTON: Dear Sirs—I with pleasure concede to the Agent wish that I give my endorsement to the immediate relief I experienced from a few doses of Dr. Miller's Diamond Rheumatic Cure, having been a sufferer from the effects of Rheumatism, I am now after taking two bottles of this medicine, entirely free from pain.

You are at liberty to use this letter, if you deem it advisable to do so. I am, Sir, yours respectfully, JOHN HELDER ISAACSON, N.P. MONTREAL, 17th March, 1874.

Messrs. DEVINS & BOLTON: Gentlemen—I have suffered much with rheumatism, so much so that I was obliged to stay at home a certain time. I heard Mr. O'Neill, of the St. Lawrence Hall, speaking of your remedy. I asked him to get me a bottle immediately, which he did with great kindness. To my great surprise that bottle has cured me entirely, and I never felt better in my life. I attribute the use of my limbs to the "Diamond Rheumatic Cure."

JAMES GALLAGHER, 58 Juror Street, Corner of Hormine. A BLESSING TO THE POLICE. MONTREAL, 18th June, 1874.

Messrs. DEVINS & BOLTON: Gentlemen—Having been one of the many martyrs of rheumatism that I met on my every day rounds, I was induced to try the celebrated DIAMOND RHEUMATIC CURE. I had suffered the last five or six weeks the most terrible acute pain across my leins and back, so severe indeed that I could hardly walk with the help of a stick. I commenced the Diamond remedy, following the directions carefully—relief came immediately with the first bottle; improved rapidly with the second, a completely cured and free from pain after finishing my fifth small bottle. You are at perfect liberty either to refer to me privately or publicly, as I feel very thankful for the relief, and sympathize with all fellow-sufferers from Rheumatism.

Yours respectfully, J. B. CORDINEO, Sanitary Police Officer, 51 Labelle Street

FURTHER PROOF. Toronto, March 30, 1874

Dear Sir—After suffering for the past two years with Rheumatism, I can truly say that, after using two bottles of the DIAMOND RHEUMATIC CURE I find myself free from that terrible disease. I have used all kinds of remedies and Doctor's prescriptions without end, but your simple remedy surpasses all. The effect upon me was like magic. It is great pleasure in recommending your medicine to all.

I remain, MARGARET CONROY, 127 Sunnyside Street

This medicine is prepared by a careful experient and conscientious physician, in obedience to the demand of numerous friends in the profession, in the trade and among the people. Every bottle is warranted to contain the full strength of the medicine in highest state of purity and development, and superior to any medicine ever compounded for rheumatic complaint.

In simple cases sometimes one or two doses suffice. In the most chronic case it is sure to be effected by the use of two or three bottles. By the use of a simple remedy hundreds of dollars saved to those who can least afford to throw it away as surely it is by the purchase of useless prescriptions.

This medicine is for sale at all druggists throughout the Province. If it happens that your drug has not got it in stock, ask him to send for it to

DEVINS & BOLTON, NOTRE DAME STREET, MONTREAL, General Agents for Province of Quebec. Or to
