

Convinced that further measures are urgently needed for the prevention of an arms race in outer space,

Recognizing that, in the context of multilateral negotiations for preventing an arms race in outer space, bilateral negotiations between the Union of Soviet Socialist Republics and the United States of America could make a significant contribution to such an objective, in accordance with paragraph 27 of the Final Document of the Tenth Special Session of the General Assembly,

Noting with satisfaction that bilateral negotiations between the Union of Soviet Socialist Republics and the United States of America have continued since 1985 on a complex of questions concerning space and nuclear arms, both strategic and intermediate-range, and in their relationship, with the declared objective, endorsed in the joint statement of their leaders on 21 November 1985, 5/ of working out effective agreements aimed, inter alia, at preventing an arms race in outer space,

Anxious that concrete results should emerge from these negotiations as soon as possible,

Taking note of the part of the report of the Conference on Disarmament relating to this question, 6/

Welcoming the re-establishment of an Ad Hoc Committee on the prevention of an arms race in outer space during the 1986 session of the Conference on Disarmament, in the exercise of the negotiating responsibilities of this sole multilateral negotiating body on disarmament, to continue to examine and to identify through substantive and general consideration issues relevant to the prevention of an arms race in outer space,

1. Recalls the obligation of all States to refrain from the threat or use of force in their space activities;
2. Reaffirms that general and complete disarmament under effective international control warrants that outer space shall be used exclusively for peaceful purposes and that it shall not become an arena for an arms race;
3. Emphasizes that further measures with appropriate and effective provisions for verification to prevent an arms race in outer space should be adopted by the international community;
4. Calls upon all States, in particular those with major space capabilities, to contribute actively to the objective of the peaceful use of outer space and to take immediate measures to prevent an arms race in outer space in the interest of
