

The first part of the report is devoted to a general
 description of the country and its resources. It
 is followed by a detailed account of the
 various industries and occupations of the
 people. The report then proceeds to a
 description of the climate and the
 various diseases which are prevalent in
 the country. It concludes with a
 summary of the principal facts and
 a list of the names of the
 various places mentioned in the
 report.

The second part of the report is devoted to a
