University of King's College. I think the timing and flow of this study is on a reasonably nice track.

The committee is adjourned.

M. Bercuson: C'est à peu près cela; aussi, la plupart des... (The timing and flow of this study is on a reasonably nice track. The committee is adjourned.)

L'Université de Toronto... (The older institutions, such as McGill, the University of Toronto and Queen's, I think set back and worked all of this process, secure in the knowledge that, of course, it was an assumption—that they were so excellent and so far above the rest, with the new stars and rising institutions being thrown up...)

L'Université Mount Allison... (The Deputy-Chairman: Consistent this has been a very interesting experience...)

King's College. Notre échancier est respecté et notre étude avance à un rythme raisonnable.

La séance est levée.

Mr. Bercuson: Very much so; so they had in mind other...
