

November
Twenty-ninth
1922.

Dr. Victor G. Heiser,
International Health Board,
61 Broadway,
New York City.

Dear Sir:-

I beg to acknowledge receipt of
your letter of November 25th.

Sir Arthur is away from the city
for a week. I know he will be very sorry to
learn that it will be impossible for you to give
one of the lectures in the course on Industrial
Medicine which McGill is planning to inaugurate.

Yours faithfully,

Principal's Secretary.
