

The Most Life Sustaining Substance in the World!

1,000 TUNS YEARLY TAKEN AS MEDICINE!!!

—:O:—

Only 21 Shops in the Whole City of St.
John's that do not sell

FOX'S BLACKING!

MY SALES OF THE GLYCERINE BLACKING have been twice as large as former years. Observe the new green label on each dozen: Warranted!—Better than any Blacking imported—Blacker than any Blacking—Holds its Polish—The very best Blacking for Grain Leather. Boston traveller: "This is Boston Polish on my boots." Servant maid: "No, sir, that is Newfoundland Polish."

Cod Liver Oil is the Most Life Sustaining Substance in the World. Fox's "Perfect" Cod Liver Oil—very carefully prepared and highly recommended by many Medical men. To be had at D. Slater, Esqr.'s, 161, Water Street, and at W. Watson McNeil & Co.'s, Druggists, 333, Water Street.

In the spring, I have much pleasure of informing the public, there will be placed in the market

German Official Record Ink,

German Official Copying Ink,

School Writing Ink,

Two Cent Bottle Ink, at 10 cents a dozen—

in quantities less.

These Inks are made according to the Royal Commission recommendation of the German Government, after great consideration and satisfactory proofs.

CHARLES FOX,

Manufacturing Chemist,

North Street, Marsh Hill.

THOS. McCONNAN,

Book Seller and Stationer,

201, WATER STREET,

St. John's, Newfoundland.
