NATIONALS' SECOND DEFEAT BY INDIANS

Tecumsehs Entertained the Frenchmen For Second Time and Beat Them.

DOUBLED THE SCORE

Result Never in Doubt After the First Quarter - Visitors Were Strengthened.

The Indians for the second time this season walloped their old-time rivals, the Nationals, on Saturday afternoon, by doubling the score on them, the final tally being 6 to 3, and incidentally moved up into second place, from which they have been absent for over a year. The play wasa great deal faster than the average game, as the score would suggest, but the Indians had their hands full at times, and it was only the great work of that stalwart defence that kept the Frenchmen from breaking into the scoring column oftener. Gauthier and Clements were the bulwarks of the National team. Clements on one defence did more than his share of the work, keeping the shifty indians at bay, while Gauthier was the life of the home, and generally figured in every attack. McGregor, Carmichael and Querrie were buzzing around the enemy's nets most of the time, and they had the visitors' defence making vigorous efforts to stop them from coming in, but they were not to be denied, as the score shows.

In the first quarter, determined not to be caught napping, as in their game three weeks ago, the Frenchmen opened a fusiliade of shots on Kinsman right from the start, and for several minutes the Indian defence were on the anxious seat, but, thanks to the great work of Kinsman, Yeaman and Graydon, they were able to staye the enemy off without a taliy. Querrie opened the scoring for the indians, and at the end of the first quarter they had a lead of one goal, the score standing 1 to 0. At half time they had increased their advantage to three goals, the score standing 4 to 1 in favor of the Indians. At the end of the third they had negotiated another tally, and, in spite of the efforts of the blue shirts, they romped home with the final score of 6 to 3.

TEN POINT TO START IN HAMILTON DERBY

Clever Field of Three-Year-Olds Will Face Starter at H. J. C. Opening.

The spring meeting of the Hamilton Jockey Club opens next Wednesday, with the Hamilton Derby, at a mile and a quarter, as the attraction. This race proquarter, as the attraction. This race promises to bring together some of the best three-year-olds in America, and is at tracting unusual attention. Hawthorn, the Kentucky representative, worked a mile at Hamilton a few days ago in 1.41, and it is said that he has come back to his two-year-old form. Horron, who will have the support of many Canadians, is said to be doing well and is receiving a careful preparation for the race. Little Buskin, who was second to Horron in the Toronto Cup, is also fancied for the event, as the Derby is one-eighth of a mile farther than the Toronto Cup, and he was coming very strong at the finish in tha race, in which Horron beat him. Among others that will likely face the starter is The Widow Moon, a very smart filly, which has just come up from Kentucky, while Dick Watkins is bringing on Barnegat from Belmont Park. Ten Point arrived in Hamilton from Latonia last Friday, and is said to be back to his early form. In all about eight will likely face the starter, and they are of such a class that the race will undoubtedly attract unusual attention. The track is in excellent condition, and if the club is only favored with fine weather one of the best races of the year should result.

The Toronto special will run to the track each day of the meeting as usual, leaving Toronto at 1.05 p.m.. There is a possibility that the Grand Trunk will puon two specials for Derby Day, the second leaving Toronto at 1.30 p.m. as arrangements have been made for two specials for Saturday and Dominion Day. mises to bring together some of the best

LOCAL SOCCER TEAMS

Torontos and Queen Citys of Big Four Were Unable to Score Winning Goal.

At the Island Stadium Saturday evening i na league fixture of the new Big Four Soccer Association the two local teams met for the first time and they battled to tie the score, standing at the end of the game 1 to 1. Only about one hundred enthusiasts made the journey to see the game, which started at 6.50 p.m. The Torontos had several chances to tally in the first half on corner kicks, but falled to take advantage of them, but it was not until they dribbled the ball in on the nets and in the mix-up in front of the net some one kicked it in. No further scoring was done in the first half, altho the Queen City boys tried hard, but could not find the nets. On commencing the second half Phair opened the scoring and tied the game up by making a brilliant run down the line and beat Hardy with a long slow shot. The game continued with both teams trying hard, but the defences of both teams
