Germany in Last Stages of Exhaustion

ATHENS. Aug. 13. — Mukhstar Pasha, Turkish ambasador at Berlin, has been recalled at the kaiser's request because he reported to Constantinople that Germany and Austria were in the last stages of exhaustion and that the first serious German repulse would bring destruction. He recommends the Porte to employ discretion, pointing out that if Germany lost, she would use Turkey as a scape goat. Von Der Goltz, on hearing the report, immediately cabled, demanding Mukhstar's recall.

WINNIPEG, Aug. 13.—The exodus of farm hands from the city is daily increasing, and the total number who have gone out for the harvest to date is estimated at between 8000 and 10,000 men. This morning there were thirteen extra cars added to the trains leaving Winnipeg, and each one was crammed full of laborers. Over 1000 men left Winnipeg today for points in western and southern Manitoba.

The first of the eastern harvesters' specials will leave New Brunswick on Aug. 17; the second will leave eastern Ontario on the 19th; the third will leave central Ontario on the 21st, and the fourth will leave Toronto and western Ontario points on the 24th.
