

The expense of removing them from the parish to the port, must, of necessity, be without the range of an estimate.

This plan must be accompanied by an Act of Parliament, which should enact, that all persons taking advantage of this facility of emigration, should give up, for themselves and children, present and future, *all* claims upon parochial support.

The success of these proposed Settlers in Upper Canada can be warranted upon grounds of perfect certainty ; as the Tract (*vide Appendix B.*) which was laid before the Agricultural Committee of 1822, will satisfactorily demonstrate to any person who will peruse it with attention. That Tract was drawn up by Colonel Talbot, who has himself resided in the Province of Upper Canada, from its original settlement under the auspices of Lieutenant-Governor Simcoe, with very little interruption, to the present day, and whose authority cannot be questioned, he having been intrusted by the British Government with the settlement of that populous and highly improving extent of territory along the Banks of Lake Erie, now called the " Talbot Settlement," and the concluding paragraph of the Tract subjoined in Appendix B., will shew the extent and character of the success which has attended that experiment.
