

Dear Sir :

In this pamphlet you will find a list of properties which I have for sale. I beg to call your attention to two important features in connection with this list:—

1st.—The most of the properties are given to Banking Institutions as collateral security, and must be sold to realize the amount of their claim, which is from one-half to two-thirds the actual value; I am therefore able to offer bargains to intending purchasers which no mere land speculator can afford to do.

2nd.—All properties advertised in this list, will be found on inspection to be exactly as they are represented

N. B.—Any person wanting a farm, can make arrangements with me to go with them and see any of the lands herein advertised.

Any further information you may wish in regard to any of these properties enumerated in this list will be cheerfully given on application in person, or by letter to the undersigned,
