Big Four Lacrosse Game This Afternoon at the Island

Notes of the National Game.

Should the Toronto lose this afternoon at the Island and Nationals beat the Irish-Canadians in their game at Maisonnette, the Big Four leaders will have considerable difficulty maintaining their position at the head of the league. The Beach officers are not going to take any chances on a possible defeat and will trot out their strongest team to meet the Indians. The game will commence at 2:30 o'clock and Messrs. Brennan and Tucker will officiate. The teams will line-up as follows:

Toronto: Goal, Gibbons; point, Harshaw; cover, Marshall; defence, Powers, Stagg, Braden; centre, Longfellow; home, Fitzgerald, Barnett, Donihoe; outside, Kalls; inside, Warwick.

Tecumseh: Goal, Kinsman; point, Greene; cover, Yeaman; defence, Graydon, Felter, McKenzie; centre, Rowntree; home, Gorman, Guy Smith, Duxon; outside, Querie; inside, Whitehead.

Brown and McCarthy Have Trained Hard.

Frank Brown, who rode in the 200 mile race in the Olympic game, Stockholm, has kept in excellent shape since his return. He will give McMillan the hottest time any rider ever did. McMillan has never been caught in a pursuit race yet, but this looks likely to be the first time. Brown and McCarthy have trained hard. He trains daily, and the way he burns up the road between Lambton and the Canadian Cyclist and Motor Works is a fright. He will be able to give a mighty good account of himself at the unlimited pursuit bicycle race at Scarborough to-night. This ought to be one of the greatest races of the season, the contestants being prepared to ride the Stockholm distance if necessary.

Huether's Pilsener Lager

"The Clubman's Choice"

HUETHER'S PILSENER LAGER is a universal "favorite" as a delightfully refreshing summer beverage—whether partaken around the family board, by the tired and fagged wayfarer, or traveler—by the business man or artisan at his lunch hour, or when the cares of a day's work are at an end.

At the Clubs HUETHER'S PILSENER LAGER has the call—so much so today that it has earned for itself the title of "The Club Man's Choice." And there is a reason for it—the sparkle of it gives delight, and its purity gives one the absolute assurance that there can positively be no ill effects—and that to the last drop in the bottle it is beneficial—it has tonic qualities and food elements that few summer beverages can boast of.

HUETHER'S PILSENER LAGER is brewed in one of the most sanitary and hygienic brewing plants in the Dominion, and is the product of the purest of sparkling spring water—a blending of prime domestic and imported hops—carefully and scientifically malted—with scrupulous care for cleanliness—This is the reason for HUETHER'S PILSENER LAGER goodness, and why it is to-day "THE CLUB MAN'S CHOICE"—and so universally used—Ask for "HUETHER'S" at your club.

Huether's Wuerzburger

A fine Dark German Lager. Equal to the finest imported. Try a case.

Huether's Cobalt

A light, non-intoxicating beverage. A delightful hot-weather drink.

T. Burns May Come Back, But Fight With Rickard Shows Nothing

SASKATOON, Sask., Aug. 9.—Last night's boxing match between Burns and Rickard for the Canadian championship was very little used as a guide of relative form of the two men in a finish fight, or as to what chance Burns has to come back to the championship class. Rickard admits that at the time the contest was stopped Burns was a clear winner, but he claims he was nursing himself for the full ten rounds until he had won Tommy

out. He challenges Burns to a return match, one arm free ribs, and a fight to a finish. Burns left for Calgary on an early train this morning.

Promoter Herb Wright was very disappointed and said it would be the last time he would have anything to do with a heavyweight bout, claiming Rickard did not give the crowd their money's worth. Burns apparently played with his man until the sixth round, when he went in to finish him. In this round the big fellow was floored for the count of nine and was put down again for the count of eight, when Sheriff Calder stepped into the ring and stopped the bout, which was awarded to Burns. It was a tame affair until the last round.

Burns weighed 185 and Rickard 200 lbs. The advance sale was \$7500 and the total will go to about \$10,000.

Quitting for Kemp Trophy.

The final game in Class A for the Kemp Trophy was played on Thursday evening between the Victorias and Dominion Heather, Victorias winning four out of five games, which gives the Victoria Club the trophy. The team deserves great credit for the splendid games they played for the trophy. A team of the same club is playing several games for the prizes in B Class. A Class score:
