OSLER CHAMPIONS IN ATHLETIC MEET

Girls Show Good Performance in Playground Indoor Meet—The Results.

The city playgrounds girls' indoor meet was held on the Royal Templar Gymnasium with 118 girls entering in the competitions. The work of Nina Powell and Dolly Henderson in the junior running high jump was very smooth. Neither girl wasted any energy and both showed splendid style. In the senior entry for the same event, Annie Miller had to extend herself to the limit to win from Mary Phillips, who will be heard from later as this is her first season. Edda Lewis, Moss Park and Connie Henderson, McCormick, gave a splendid exhibition in the standing hop, step and jump. Leona Hall, McCormick, a junior, made the best time of the event, 17 seconds, in the 60-yard potato race. Osler won the championship with 20 points and St. Andrew's came second with 16 points.

HOCKEY GOSSIP. An all-star team, made up of local O. H. A. senior players, will go to Oshawa tonight to take on Ed Bradley's good intermediate team in an exhibition game. Oshawa were to have played at Thamesville in the semi-finals, but owing to their bad beating on Tuesday the game was canceled.

Saturday will be a busy day at the Mutual Street Arena. In the afternoon 1.15, clash with De La Salle in the first of a two-game series in the O.H.A. junior semi-finals, and at night Dettala will play Kitchener senior O.H.A. champions and Allan Cup holders, an exhibition game. This junior game should result in one of the best of the season, as both teams have plenty of weight and speed to burn. The U.S. sextet will hold a light workout at the arena this afternoon in preparation for this game, as with the green and white tonight. Both teams will be at full strength, and a record crowd is expected to attend.

BOWLING TOURNAMENT

Cincinnati, March 7.—Expert bowling characterized today's doubles and singles in the American Bowling Congress tournament here, as Mort Lindsay and J. Porto of New Haven, Conn., by rolling 1282, went into third place in the doubles, and an hour later Lindsay bowled himself into tenth place in the singles, with 661.

Shortly after these two teams had finished, G. Stewart and C. Moses of Toledo made a total of 1267 in the doubles, and are now in fourth place.

Lindsay's bowling was sensational, and his wonderful work in the singles and doubles managed to overcome his rather mediocre showing with his five-man team, and he succeeded in establishing himself in second place in all-events with 1921.

No phenomenal scores were made on the first shift of five-men teams tonight, the highest being that of the C. T. Vaughan No. 1 team of Peoria, Ill., who bowled 272. The next top score was that of the C. T. Vaughan No. 2 team, with 278, and the third highest the Donahy Eastern Brier of Jamestown, N.Y., with 268.

Special to The Toronto World. N.C.C. March 7.—The big spring tournament, Pinhurst, was brought down to the semi-finals today. The survivors in the first sixteen are H. C. and C. B. Powness, Franklin Gates and a Waterloo for the five Dominion golfers who were taking part in the tournament. All of them were eliminated today. The two Ontario players, H. Reid of Kingston and John D. Small of Toronto, were eliminated, respectively by Malcolm MacGregor of Detroit and C. Holmes of Waterbury.

UNIQUE METHODS PRECEDED THE K. O.

Camouflaging a distress and then stretching his bewildered opponent, on the canvas with a knockout punch, was a favorite trick of Clarence Forbes, a brother of Harry, former bantamweight champion, and who recently died in the State Hospital at Elgin, Ill. He was 37 years old. Both boys were brought out by Harry Gilmore.

Forbes was regarded as one of the trickiest and hardest punching boxers ever developed in Chicago. He began his career as a bantam and later fought as a featherweight. He once fought for a bantamweight championship. It was a favorite trick of his to take a punch on the back of the head, and then wobble around the ring as if distressed. Tricked into believing another punch would finish him, Forbes' opponent a clip on the chin. His record is dotted with knockouts thus scored.

The survivors will return during the summer, and after receiving the usual instructions from the referee, they returned to their corners to await the bell. When the contest started Forbes yelled to the centre of the ring and yelled: "Hey, take that chair out of that guy's corner."

The "unknown" tricked into believing his seconds hadn't removed his chair. The head toward his corner. Forbes snatched over the referee's hander to the chin, knocking his foe completely out.
