Hamilton B. Wills in his weekly narket letter, says:

"During the month of June the daily shipments by the Rockwood Oil and Gas Company averaged about 175 barrels, and this output could easily have been increased had tank cars been available, but the railroads now promire better service, which is badly needed, as this company is growing by leaps and bounds, and shows every indication of becoming Canada's premier oil producer.

"Operating in the Glencoe field, near London, Ont., Rockwood Oil and Gas have yet to sink a dry hole, and as its I roduct is strictly high-grade, netting from conversion clauses in previous issues. Total sales, par value, aggregated \$1,775,000.

Old United States 4's advanced 1-2 per cent. on call during the week.

Final Agreement Regarding Slate

of Directors Inspires Brisk

Buying.

Montreal, July 14.—A brisk demand for Canadian Car, with some activity in Canadian Car, with some activity in Canada Cement, Montreal Power and Steel of Canada, gave the Montreal Stock Exchange a livelier appearance Saturday. Trading was extremelly narrow, only thirteen stocks and bonds contributing to the active list, but the aggregate for the two-hour session, owing to the increased activity of a few stocks, was in excess of Loan, Trust, Etc.—

session, owing to the increased activity of a few stocks, was in excess of recent totals for a full day.

Buying of the Car stocks was apparently premised on the final agreement in regard to the slate of directors to be elected at the annual meeting. The preferred stock of the company in particular was in excellent demand, about 600 shares being absorbed on a three point rise to 31. company in particular was in excellent demand, about 600 shares being absorbed on a three point rise to 81, a new high price for the year. The common was sympathetically stronger, improving from 32% in a broken lot transaction at the opening to 33% bid at the close, with 33 the market quotation on transactions in 90 shares.

Company in particular was in excellent stalled, so that, I am officially advised, I am officia and materially add to its marvelous

Cement Common opened strong at 61, an advance of 1/4, but later fell back to 60%, finishing unchanged for CLEAN-UP IMPENDING AT THE NEWRAY MILL

Considerable Addition Made to Brought Into Sight.

The rest of the market was extremely dull, reflecting the narrow listless character of the trading at New York.

In bonds a feature was a new high price for the local market this year in the first war loan, which sold at 95%.

NEW YORK CURB.

Hamilton B. Wills received the following wire at the close of the New York curb market on Saturday! The general market was quiet and irregular today and no important price changes occurred. NEWFOUNDLAND FILLS RANKS BY COMPULSION

St. Johns, N.B., July 14.-Newfoundland's conscription law, which foundland's conscription law, which
went into effect six weeks ago, has
operated so effectively that today the
Newfoundland regiment is recruited
to full war strength. It is not expected that a second draft call will be
made until autumn, at the close of the
season for fishing, Newfoundland's
vital industry. Women have replaced
men on the farms, but as this is not
possible on the fishing boats, the

penalty for failure to register

The number of failures in the Dominion, as reported by R. G. Dun & Coduring the past week, in provinces, as compared with those of previous weeks, and corresponding week of last year, are as follows:

London, July 13.—The following official communication on aerial operations was issued tonight:

"Low clouds and heavy rainstorms prevailed on the western front July 12. Enemy aircraft showed no activity and our own machines could only carry out observation work for the artillery during the brief intervals of brighter weather. There were no June 28. 5 4 0 0, 0 0 0 0 0 9 27 night, notwithstanding the high wind June 14. 1 2 0 1, 8 2 0 0 0 18 15 and an overcast sky, our airmen Sales. June 7.... 2 8 3 1 1 0 0 0 14 18 made some useful reconnaissances and dropped four tons of bombs."

> Vienna Paper Demands Agreement With Wilson

Paris, July 14.—The Arbeiter Zeitung of Vienna, the official organ of the Austrian Social Domocracy, demands, according to a despatch received by the Havas agency, that the Austrian Government come to an agreement with President Wilson. The German imperial chancellor announced in the reichstag that The Arbeiter Zeitung of Vienna had been barred in Germany by the government at Vienna, because the paper was "conducted new barred newspaper."

Two Aviators Meet Their Death In Air Collision Near Picton

Deseronto, July 14.—Sub-Cadet J. F. Buchanan and Cade: J. C. White of the Royal Air Force were instantly killed at about three o'clock yes—

Limited collapsed. A number of shells and debris crashed thru to the cellar. London, July 14.—John Dillon, member of the Mationalist Party, and Jarren and alarming resolutions pread around. The fact that many of the Austrian Mark at the plant hurried home after the accident to assure their families that they were safe made the fask of checking up the men who were in the building when the who were in the building when the fact that responsibility for the present made a thoro search of the debris in the cellar and found only the bodies of Lymburner, nephew of the head of the company, and Joseph.

The accident happened while the fact that responsibility for the present made a thoro search of the debris in the cellar and found only the bodies of Lymburner, nephew of the head of the company, and Joseph.

The accident happened while the fact that responsibility for the present conditions, to a very large extent, is shared by the leaders of the Sinn Fein movement who have led a section of the people along a path that is bound to place the country under a military dictatorship."

ATTACK OF AUSTRIANS Montreal, July 14.—A feature of the local market has been the continued good demand for American corn for milling purposes and for shipment to country points, and, in sympathy with the upward trend of the Chicago market, prices on spot scored advances amounting to Sc per bushel, with latest sales of No. 23.82 42.383 24.65 and of No. 4 at \$1.90 per bushel, exstore, and, in addition to these grades, large sales of fresh shelled corn and other grades were also made for shipment from Chicago. The local markets also showed strength for cash cats and prices during the week were marked up 2c per bushel.

William,

William,

HEAVY FIGHTING MARKS

Berlin, via London, July 14,-Heavy fighting at various points, in attacks launched both by the British

and French, is described in the official communication from general headquarters yesterday. The statement

"Southwest of Bailleul attacks by strong British detachments were repulsed on frequent occasions. In the same way enemy thrusts launched during the night north of Albert Enemy reconnaissances in the Frenzela and Brenta valleys were checked. Ten hostile airplanes were brought down. "Violent artillery duels on the west bank of the Avre were followed by French partial attacks between Cas-tel and Mailly. The enemy, after vio-

lent artillery preparation, repeated these attacks in the afternoon near Mailly, and in the evening along the battle sector and obtained possession of Castel and the Anchin Farm. East of this line his attacks broke down

of this line his attacks broke down under our counter-attacks.

"Between the Oise and the Marne fighting activity continued lively. Renewed attacks by the enemy north of Longpont and south of the Ourcq were repulsed. Fighting activity has been revived in the middle Vosges and

been revived in the middle Vosges and Hartmannsweiler-Kopf. Northeast of Pont-a-Mousson and the Fave region attacks launched by the enemy during the might broke down.

"During the month of June 468 hostile airplanes and 62 captive balloons were shot down on the German front. Ninety-two of these airplanes were brought down by our anti-aircraft guns. Of these airplanes 217 are in our possession; the rest were observed to fall behind the enemy positions.

"We lost 153 airplanes and 51 captive balloons in battle.'
